The EPS FAIR

is THE major event on the school calendar for 2017. We encourage you to get involved in what we hope to be a very successful community event.

Everyone’s contribution is valuable.

Funds raised will go towards our school master plan of school ground improvements. There will be rides, activities, live entertainment, sideshow alley, a raffle, silent auction, great things to buy and lots of yummy food.

For all fete queries, please contact EdithvalePrimaryFair@gmail.com

CREW CALL

For the fair to be a great success, we rely on the support and help of our parent community - we welcome any offers of help/support – no amount too small/large. Many of you may be worried about being too busy to volunteer to help. That's completely understandable, however parent involvement is critical! Is this your first time? You don’t need any experience (we have all the information you need!) we just need you to pitch in for a few hours. Many of the stalls are very easy to set up and run! The stall listing will be finalised in the coming weeks.

Please complete to let us know how you would like to be involved and return the ‘CREW CALL’ form attached to this newsletter or complete the form online using this QR code.

DONATIONS

To reduce our costs we will be calling for donations from school families. A donations list and timetable will be sent out soon that will enable you to look out for bargains to add to your shopping trolley or find in your cupboards. We are so very grateful for the generous support from our families in helping to help our school make this event a huge success. All proceeds go towards our kids and their school to help their school experience be the best that we can offer.

Thank you in advance for your generous support,

The Edithvale Primary Fair Committee

Information sessions will be held on Friday 7th October at 9.00am and Thursday 13th October at 3.30pm in the staff room

There will be two general meetings for all interested in being involved in the fair at any level - from a little to a lot. Thanks to all the fantastic families that have already registered their interest in being involved in our school event. These meetings are a great opportunity for parents to share their ideas for stalls and anything else that will ensure our event is a great success.
