PRINCIPAL’S REPORT
Mr James Whitla

How lovely it was to see that big yellow thing in the sky earlier this week. To feel the warmth it provides reminds me that spring is nearly upon us! As the days begin to stay lighter longer, we begin to plan ahead for 2015. An integral part of this planning is determining how many Prep/Foundation students will enrol with us here at Edithvale. If you have a son or daughter who is commencing their primary education with us next year and you haven’t already submitted an enrolment form, we’d love these to be completed and handed into the office.

The last 2 weeks have been very busy indeed. We have:
- Had a highly engaging and successful Year 4 school camp at Manyung;
- Seen and heard many excited Year 3 students after attending their excursion to the Museum;
- Held more AFL clinics;
- Had our Year 5 and 6 students attend science sessions at Mordialloc College;
- Participated in whole staff professional learning on strategies to identify and assist students with language difficulties—such as dyslexia;
- Welcomed new students (and their families) Maya and Jack (Prep) and Sophie (Year 2) to Edithvale Primary school;
- Started to use our new tiqbiz app to communicate with our community;
- Introduced a new sign in and sign out system at the front office—detailed below.

We have also noted that there are a small number of students arriving at school at, or close to, 8:00am. Whilst we are excited that our students show their enthusiasm for school through early attendance it is timely to remind all families that our dedicated staff commence their official supervisory duty 15 minutes before the start of the school day (8:55am). We encourage students to be at school no earlier than 8:40am so that we can confidently fulfil our responsibility to take reasonable steps to protect students from risks of injury and thank you in advance for your assistance with this.

VPASS is HERE!

Next time you come to the office, you will notice our new sign in/out system. If your child is late to school, you are asked to sign them in on an iPad. (Also when you sign them out of the school for any reason). All visitors and contractors must sign in and out using this system, which is linked to our computers. This enables us to produce data of who is in the school, student absences, late passes, early leavers, or a list of anyone who has visited the school on any determined date. This is advantageous for us when compiling reports, monitoring absences and/or our visitors.

The introduction of this system will also save the School a significant amount of money, previously spent on printing the sign in/out books. Please be patient as we all learn to use this system, and if you have any issues, our friendly office staff are here to help you.

EMERGENCY EVACUATION DRILL

Within the next couple of weeks, we will be conducting an EMERGENCY EVACUATION DRILL for every class in our school. Emergency procedure drills will continue to be held randomly throughout the year and this practice is designed to support our students to become accustomed to moving in a safe, calm and orderly fashion to designated safety points throughout the school.

Staff will explain the expectations and requirements of our students step by step and expose them to the sounds of the alarm and loud speakers. All parents on the school premises at the time of the Lock down will be asked to join in this emergency procedure too.

Cheers and have a great week.

PREP ENROLMENTS 2015

We are currently taking Foundation/Prep enrolments for 2015. If you have a child starting school next year, please call in to the office and collect an enrolment form at your earliest convenience.
**QkR—PAYMENT APP**  
Sandie Wishart—Business Manager

The third ‘product’ launching us into modern technology, is the release of our new payment app, known as QkR, by Mastercard. We will be releasing this app soon, and will send you all the information required to enable you to pay your school charges and excursions via a safe and secure payment app. We hope the introduction of these new products makes life just a little bit easier for all of us.

**FRENCH DAY 2014 at EPS**  
Madame Snow

*Let’s put the “French” in Edithvale*

Wednesday 20 August 2014 will be “Oooh-la-la Day” at Edithvale Primary School. The French celebration will start with an Assembly/Parade in the morning at 9:05am (everyone welcome).

There will be a roster on the day, for the students to collect their Beautiful French Crepe from our French Chef “Robert” (order forms will be sent home prior to the day) and also another form, for the “French Puppet Show”.

We will run a competition throughout the whole school: “the best French puppet”. Students can use real, paper or handmade puppets, with a touch of French etc; A panel will be selected to judge the most original puppet. One winner per year level, judged by the panel, will receive a free crepe.

The categories are:

- The best Puppet and a “magnifique” French touch!
- The Best Staff member’s French Puppet: Edithvale PS staff will hopefully embrace the spirit of the “French-je-ne-sais-quoi!” and dress up to the event!

*PS: Please encourage your child to create a puppet to make this French Day even more successful!*

**ENVIROWEEK 2014!**

This year, Enviroweek will be held during the week of 11-15 August.

The *Edi Eco-Warriors* (that’s all of us here at EPS!) will be taking on four challenges during the week to help make our school (and the world!) a better place. We will also be raising money to buy some new gardening equipment for our school.

So get ready to garden, save electricity, eat fresh healthy food and play outside! Key an eye out for more information about the challenges next week...

Parents, please see Miss Goudey if you are interested in helping with some gardening during the week. We would love to have some ‘bigger’ hands to help make our school look beautiful!

**BOOK FAIR IS COMING**  
18–21 August

A form is coming home today for anyone who would like to sign up to help with the Book Fair, to fill in and send back to school.

**CANTEEN**  
Mrs Diane Cameron

This week the Canteen trialled “Tasty Tuesday” with some excited faces seeing some new items. We had mini jelly cups and homemade choc chip biscuits today. I hope to continue this only on Tuesday and available at window sales. Prices will be around the 50 cent mark but the special Sippah straws will be $1.00.

All Frozen items are back in stock with Mini Callipos (.80c), Ice Cream Cups ($1.00) and Paddle Pops ($1.20). These items are only sold at Lunch times.

Many thanks to my wonderful parent helpers over the last fortnight, a great effort.

POTATO COMMONWEALTH GAMES AT EPS

Over the last two weeks, some of the students at EPS were participated in a Maths activity that involved potatoes. To coincide with the Commonwealth Games in Glasgow, classes held fascinating and creative events to test their potato’s skills and abilities, as well as weighing them in comparison to different objects. This is a wonderful maths activity that caters to all levels of learning, from Prep to Year 6! Here are some of the main attractions from each year level that participated:

FOUNDATION
During this lesson, we learned about comparing weight and using a scale. First, we decorated our potatoes and came up with a name for each house team. In our class we had Chip, Lily, Twinkle and Red. We found objects around the room that we thought would weigh more or less than our potato and tested our guesses using the scales.

YEAR 5/6
During this lesson, we were able to create suitable events to test our potatoes’ skills and athleticism. Each class created 5 events. We tested each potato’s skills in high jumps, rolling, hurdles, going up ramps and displacing water!

YEAR 1
During our year level commonwealth games each partner was responsible for one potato athlete. They named and decorated their athlete. We had 4 events that our potatoes participated in. Weightlifting, rolling race, shot put and relay. We did lots of measuring with informal units using our feet as a measuring tool. Afterwards we discussed the fairness of our events. The students discussed how the shape, size and weight of the potato can affect the results. We discussed what we would need to change to make the game fairer and the measuring more accurate. We had a great time!

We love our potato athletes.

PREPS CELEBRATE THEIR 100TH DAY OF SCHOOL

On Tuesday the Preps celebrated their 100th day of school! Throughout the day we had lots of fun with the number 100. We wrote about what we would buy with $100, painted 100 dots, made 100 hats and glasses with our buddies and even had a 100 shaped cake and 100 gingerbread men (Thanks to Mrs Howard and Xavier’s family for their yummy baking!).

Here are some recounts and creative writing from the day:

Yesterday was our 100th day of school. I liked the popcorn and the cake - Elizabeth
I liked how we danced with Mario - Chanel
I liked the cake. I liked the gingerbread. I liked the popcorn and I liked playing with the buddies. - Karen
I liked buddies and I liked the cake and I liked dancing. I liked everything - Maya
I liked the Mario dance and making the hats. - Archie
I liked the cake and I liked being able to dress up. - Zoe
I liked eating the popcorn and the cake. I had fun doing the Mario dance. - Taj
If I had 100 dollars I would buy a Lamborghini. - Cash
If I had 100 dollars I would buy a dog. - Madeline
If I had 100 dollars I would buy a Minecraft set. - Lachie
If I had 100 dollars I would buy a real life telescope from a fairy. - Frankie
On Sunday, 27 June, 565 students from Year 3 to Year 10, participated in the Alliance Française Poetry Competition Finals across Victoria. We are very fortunate to have four of our students in the state selection. In Year 3—Mesdemoiselles Macey Austen, Jacinta Gallagher, Emily Prasad, and Zara Quin, one student in Year 5—Mademoiselle Bronte Martine and Mademoiselle Laetitia AH-Young in Year 6. These students have been selected for the second round of the competition. The French Poetry Competition is state-wide and hundreds of students from both government and private schools participate. “Bonne Chance et Merci!”

LES VISITEURS/THE VISITORS
A group of seven French exchange students (from Bordeaux) came to visit our students in Year 5 and 6, and took them on a virtual tour around France.

(Exchange program organised by Parkdale SC)

PARENT OPINION SURVEY
On Monday this week, Parent Opinion Surveys were sent home to 48 families, randomly selected by our computer system.

If you received one of these surveys, we ask you to take the time to complete the survey as your opinions are important to us and will contribute to the future management and organisation of our school. For example, feedback from parents has helped to change the way we structure parent-teacher interviews, provide students with opportunities to be involved in extra curricula activities and develop our school’s student leaders.

Once completed please seal your survey in the envelope provided and write your child’s name and year level on the back of the envelope. Your child’s name will only be used to record that you have returned the survey. The sealed envelope will not be opened by the school and will be sent to an independent organisation for collation and reporting. The results will be shared with parents via the School Council later in the year.

Surveys were due back today (1 August) so if you haven’t returned yours yet, we would appreciate it if you would return it on Monday.

SPECIAL PHOTOGRAPH ORDERS
Order forms went home recently for special photographs—i.e: House & School Captains, Student Representatives etc; These were due back to School today (Friday), but if you still wish to order, please return your envelope and payment on Monday.
CHELSEA HEIGHTS COMMUNITY CENTRE

All the participants of our Edi’s Got Talent auditions in Term 2 are now working together to put on an amazing show on the Wednesday of Week 8 this term. Wish them all the best of luck, they can’t wait to share their wonderful talents with everyone!
What does it feel like?

- I can’t catch my breath. It’s hard to breathe.
- My breathing may sound funny, it may be a bit noisy (wheezing) or it may sound like a whistle.
- Sometimes it may feel like someone is squeezing my chest really tightly.
- I may cough a lot. Sometimes more at night or after sport.
- My throat may feel itchy.

What makes my asthma better?

- My Blue puffer. This is also called a reliever. The medicine in my reliever quickly makes it easier for me to breathe.
- I use my puffer with a Spacer. It helps to get more medicine into my lungs.
