How the weeks fly by! Can you believe that there are only 6 very busy weeks to go before the end of the school year?

Staff have been moderating their assessments and preparing written reports for each student in the school which will go home in the last week of term. All teachers are starting to put together class lists and structures for 2016 and these will be finalised shortly. We received correspondence from a number of families which has helped us to compile these classes.

In 2016 we will again be having 3 Foundation classes with about 17 or 18 students in each. We are looking forward to seeing these students again at their next transition day—Friday 13 November at 11:30am.

As we continue to work towards becoming a great school it is fabulous to see the many talents of our students on show at our assemblies. In the past few weeks we have celebrated achievements by our top athletes who competed at Regional and State carnivals, our top mathematicians who excelled in the nation wide Maths Olympiad tests, and some of our top creative thinkers who performed so well at G.A.T.E.WAYS sessions. Well done to all involved.

Our Year 4s commence Bike Ed in week 7. This is a program designed to develop students’ road safety and awareness and improve bike handling skills and is always a highlight of the year.

The Fun Run had to be postponed yesterday, due to torrential rain and the dangerous conditions that prevailed as a consequence of so much water on the course. We will be running this event next Thursday 12 November at the same times (Foundation - Year 2 students at 10:00am to 10:45am and Year 3-6 students from 11:30am to 12:30pm). Fingers crossed that we get better weather, so that we can raise some funds to help with the purchasing of a new kiln and some iPads; and that everyone has a great day.

Last, but by certainly no means least, a huge thank you to all students who continue to play in the GaGa pit in such a friendly and respectful manner. I truly believe that we have amazing students and this is yet another way that confirms my belief. The pit has certainly been a huge success and was a great initiative by our School Council.

Have a wonderful week/weekend.

Congratulations to Angelo Mavroudis. Angelo progressed to the State Finals of Track & Field, which was held on Monday 26 October. Angelo competed in the 100 & 200 metre wheelchair track events.

Well done Angelo for making it this far and being an outstanding ambassador for Edithvale Primary School.

A reminder to all families that school supervision by teachers on official duty is provided for a minimum of 10 minutes before and after the school day. The care and supervision of students remains the responsibility of their parents and guardians outside the times of school supervision before and after school. Before and After School Care is available on site through Kingston City Council.
Canteen News
Mrs Diane Cameron

Those who ordered on Qkr last week would have noticed that Lasagna was not on the menu, as they were unavailable from my suppliers. They are now back in stock and back on the Qkr menu ... BUT ... due to limited room in the Canteen oven and pie warmer LASAGNA’S ARE NO LONGER AVAILABLE ON FRIDAYS. This situation will be a temporary one; my apologies.

Sushi Day will be on Tuesday 1 December. Order forms will be sent out next week and need to be returned by Thursday 26 November. Orders can also be done on Qkr. Please remember when ordering on Qkr to note if your child wants Soy Sauce with their order.

Many thanks to all my parent helpers during the last fortnight, another great effort by all.

Thank you for supporting our ongoing fundraising efforts ... and let’s face it, who can walk past without buying a sausage?

SUNSMART
A timely reminder …
If you can see skin, UV can reach it.

Between September and the end of April 2016, please ensure all children:

- Wear cool, loose fitting clothing that covers as much skin as possible
- Wear a sun protective hat for all outdoor activities
- Apply SPF 30 or higher broad spectrum sunscreen during the day (please see sunscreen tips below)
- Have access to shady play spaces
- Wear wrap-around sunglasses labelled AS 1067 (if practical).

SUNSCREEN TIPS
- Regular use of sunscreen has been shown to reduce the incidence of melanoma and squamous cell carcinoma, both in the short and long term.
- Choose SPF 30 or higher broad spectrum, water resistant sunscreen. Make sure it is within its use-by date and is stored below 30 degrees. It is best to apply a generous amount of sunscreen to any exposed skin around 20 minutes before going outdoors. Sunscreen should be reapplied every two hours even if the stated level of water resistance is 4 hours.
- Store sunscreen with lunchboxes and/ or hats so when children grab their lunch or hat before going outdoors, they will also be reminded to apply sunscreen. If sunscreen is kept in the cooler section of the lunchbox, it will be cold when applying - especially nice on a hot, summer’s day..
