PRINCIPAL’S REPORT
Mrs Denise Webster

Last week James Whitla and I attended a Principal’s conference in Creswick where we listened to a number of presenters talk about what might be ‘Beyond the Horizon’. Social analysts, Mark McCrindle and Michael McQueen gave us much food for thought as they talked us through some of the current and emerging social trends and how these impact on education. They made us think about how we interact with our students and how vitally important it is to develop strong and authentic relationships with them. It is so important to make sure that the students can understand the relevance of their learning and how it will assist them in the future. Tom Barratt continued with this theme later in the conference when he spoke of how learning must connect to the real world and the value of building curiosity.

Health and fitness has always been a focus at Edithvale and it is great to see so many students ‘taking up tennis’ on a Thursday morning before school. Next Wednesday, as you know, is Ride to School Day and it would be wonderful to see parents and students come along to join in the fun.

Next Friday we are holding our first Working Bee for the year. We have a number of small tasks that we’d like to get done and we are encouraging as many teachers, students and parents to come along and lend a hand. It would be fantastic to see you there.

SWIMMING CARNIVAL
Mr James Whitla

On Friday 28 February I was proud to take a small and determined squad of swimmers to the District Swimming Carnival. Our students competed strongly in all disciplines and it was a pleasure to see and hear the camaraderie, support and enthusiasm that each of the students displayed throughout the day. Overall our team achieved some excellent results and there were plenty of 1st, 2nd and 3rd ribbons prominent on the chests of many swimmers on the bus ride home. Our 11 year old girls 4 x 50m Freestyle relay team consisting of Jayde Boyd, Jemima Davies, Emma Johnstone and Jas Warren won their way to the Divisional Swimming Carnival on March 11, as did Jayde Boyd in both the 50m Butterfly and Backstroke events. This was a special achievement in reaching this next level of competition and all acquitted themselves exceptionally well in their races.

The Freestyle Relay Team finished 5th at the Divisional Swimming Carnival and Jayde Boyd finished 3rd in the butterfly and WON her backstroke event and will now compete in the Southern Metropolitan Regional Championships later this month. We wish her all the best of success!

The following students who made up our Edithvale Primary School Swimming Team are to be congratulated on their great effort and positive attitude at the District Carnival:-

Katya Adkin
Jayde Boyd
Megan Cawley
Holly Cox
Sebastian Dobbs
Stephen Elkington
Indi Hard
Drew Kugimiya
Ella Sewell
Annabel Syme
Jasmin Warren
Nick Baker
Lauren Butcher
Daisie Cooper
Jemima Davies
Joanna Elkington

Emma Johnston
Jack Mogensen
Fraser Syme
Max Telfer
Tom Wilcock
SICK BAY / FIRST AID
Kerry Mitvalsky

Staff at Edithvale Primary School have recently completed their first aid training with Helen McGrath from Total First Aid Training. During the training it was reiterated that the Department of Education and Early Childhood Development require all student medication to be stored in a secure place, away from the classrooms and in a place only accessible by staff who are responsible for administering the medication.

In light of this, we request that ALL medication is sent to school in a named plastic bag and stored in the sick bay, including Ventolin (or equivalent) and spacers.

ASTHMA

As some areas of the school are locked during times when the classes are out, ie: assembly, recess and lunchtime, we also ask that children with Asthma come to the sick bay to use their medication under supervision. It is also a regulation that students have their own spacers as now we cannot reuse the plastic spacers we previously supplied.

ALLERGIES

There are a number of students in our school who have allergies--some of these are life threatening. For this reason, children should not be sharing food with their friends and we ask that you reinforce this with your child.

We strongly recommend that you DO NOT send along any food containing nuts.

If you are sending any food to school for a special occasion, please consult with your child's teacher regarding any restrictions.

ILLNESS

Please remember to inform the school if your child has an illness that may be contagious.

All absences from school must be followed up with a note to explain the absence when your child returns to school. Thank you.

MANAGEMENT PLANS

A number students have a management plan (eg for allergies) that has been developed in consultation with a doctor/specialist. Some letters were recently sent home to parents/guardians of students where a medical condition is known. These letters were requesting forms to be completed &/or updated. It is essential that our records are up to date so please assist us by completing these forms and returning to school ASAP.

SUNSMART

A timely reminder.... If you can see skin, UV can reach it.

From September until the end of April, please ensure all children:
• Wear cool, loose fitting clothing that covers as much skin as possible
• Wear a sun protective hat for all outdoor activities
• Apply SPF 30 or higher broad spectrum sunscreen during the day (please see sunscreen tips below)
• Have access to shady play spaces
• Wear wrap-around sunglasses labelled AS 1067 (if practical)

SUNSCREEN TIPS

• Regular use of sunscreen has been shown to reduce the incidence of melanoma and squamous cell carcinoma, both in the short and long term.
• Choose SPF 30 or higher broad spectrum, water resistant sunscreen. Make sure it is within its use-by date and is stored below 30 degrees. It is best to apply a generous amount of sunscreen to any exposed skin around 20 minutes before going outdoors. Sunscreen should be reapplied every two hours even if the stated level of water resistance is 4 hours.
• Store sunscreen with lunchboxes and/ or hats so when children grab their lunch or hat before going outdoors, they will also be reminded to apply sunscreen. If sunscreen is kept in the cooler section of the lunchbox, it will be cold when applying - especially nice on a hot, summer’s day.
PREP PARENT MATHS AFTERNOON
Sharlotte & Amanda

We were so pleased with the participation of the Prep parents during our Maths afternoon on Tuesday. The session was focused on ‘why’ and ‘how’ Maths is taught here at EPS and parents even participated in a mini-lesson! They also received resources to support them at home. The session went well; we hope that parents left feeling more confident with the way they talk about Maths with their children.

I’M BEING BRAVE AND DOING THE WORLD’S GREATEST SHAVE!
Zac Mison

Over the past 18 months I have let my hair grow. It's now long; and although I love it, I’m keen to go shorter. So I came up with the idea (myself!) to cut my hair super short and raise funds at the same time.

My Nana recently won her fight with breast cancer, and I watched her lose her hair during her treatment. She taught me that having no hair was no big deal - you're still the same person! So cancer is an important disease for me to help with.

Today, 31 Australians will get the news they have blood cancer. Your donation will help the Leukaemia Foundation to fund its important work - providing practical and emotional support to people with blood cancer, as well as investing millions in research.

I'll be having my hair cut on Friday 14 March at 1pm in front of Years 5 & 6. My friend and classmate, Iluka, is also participating in the World’s Greatest Shave, but has chosen to colour his hair in support of the cause rather than shaving it.

If you would like to support the Leukaemia Foundation by making a donation, please donate online via the link https://secure.leukaemiafoundation.org.au/registrant/FundraisingPage.aspx?registrationID=532668#&panel1-2, or bring money to School in an envelope and hand it to Miss Goudey.

I'll be having my hair cut on Friday 14th March at 1pm in front of Years 5 & 6. Thanks heaps!

FAMILY STATEMENTS
SCHOOL FEES & CHARGES

All families should have now received their first statement for the year, showing all completed transactions. If you have any queries, please give Sandie a call on 9772 1393.

Thank you to those who have paid all of their charges so promptly. These payments assist us in providing your children with a wider range of Curricular and Extra-Curricular programs.

If you have any outstanding charges, would you please make payment as soon as possible? There are several payment options available to you:

1. BPay
   Thank you to everyone who is using BPay to pay their charges, this is the safest, and most convenient method of payment. Just make your payment (the BPay details are on your statement) and send an email or a note along to school, letting us know what it is intended for. Once the payment has been received and allocated, a statement will be sent home for your information. BPay payments should be for $20 or more, due to the bank charges incurred.

2. Instalments
   It is not too late to elect to pay your School charges by three instalments. Just pop into the office and fill out a form, include your credit card details, and we will deduct the first instalment now, the second on 28 April and the third on 28 July.

3. Scheduled Payments
   Set up a scheduled payment using your banking software, and pay $25—$50 (or whatever you can afford) each week or fortnight. Sandie will then allocate this to the most appropriate charges.

4. Pay by Cash or Credit Card
   Of course you can still pay by cash or credit card, using the reply/payment slips provided to you. Payment envelopes are available from the School office.

STAFF CARPARK

For the safety of students and parents, we ask that parents park in the street and use other entrances. The carpark is for staff use only.
NATIONAL RIDE2SCHOOL DAY
Mr James Whitla

Wednesday 19 March 2014 marks the eighth National Ride2School Day, where over 250,000 Australian children, just like yours, will ride and walk to school. It is a day about celebrating riding and walking and encouraging everyone to give it a go!

Not only is riding and walking a fun way to get to school, but it also contributes to your children’s daily physical activity needs. Although some of you live far away, or have conflicting commitments that makes it difficult to ride and walk every day, even going by bike or foot for part of the way, or on some of the days is still great!

Be part of the fun and pop National Ride to School Day in your calendar now.

For those who choose to participate in the National Ride to School Day there will be a light healthy breakfast consisting of fresh fruit, toast, tea, coffee and juice provided on the morning. There will also be some ball sports set up for all students and parents to enjoy before school.

We look forward to a fun and healthy way to start the day.

PARENTS AND FRIENDS ASSOCIATION

NEW MEMBERS WELCOME!

The next meeting to discuss the Mother’s Day Stall will be on Monday 31 March, 2.30pm in the Staff Room.

Gifts have been ordered, and we now need to organise the next stage of the stall. So, come along and enjoy a cuppa together!

WE HAVE MISSED YOU!

If you haven’t banked for a while, please consider starting again. It’s good for you and it’s good for the school. There are lots of new rewards and competitions to keep you interested this year.

You can also bank through the school, for your older bothers and sisters who have moved on to high school.

Tuesday is School Banking Day and students should bring in their weekly deposit. For every deposit made at school, no matter how big or small, students will receive a cool Dollarmites token. Once students have individually collected 10 tokens they can redeem them for an exclusive School Banking reward item in recognition of their continued savings behaviour.

Remember our school earns 5% commission on every deposit made (to a maximum of $10 per individual deposit). Thank you for supporting the School Banking program at Edithvale Primary School.

STUDENT ACCIDENT INSURANCE

A reminder that neither the School nor the Department, provide personal accident insurance for students. Parents/Guardians are responsible for paying the cost of medical treatment for injured students, including any transport costs.

Student accident insurance policies are available from some commercial insurers.

LOST PROPERTY

This year, all lost property will be held at room 8. Mrs McAllen will place the lost property bin outside her room at the beginning of each day and return it inside at the end of the day.

Please feel free to look through the bin for any lost items. Only small items of value will be held at the office for collection.

Named items will be returned to students at our earliest convenience so please remember to name all items of clothing and personal belongings brought to school.

FRENCH POETY COMPETITION 2014

Madame Snow

If your child has shown an interest in the 2014 French Poetry Competition, please return the enrolment form with $6.00 by Friday 21 March. Merci

2ND HAND UNIFORM SHOP

Melinda

The Second Hand Uniform Shop is open every Tuesday from 3:00 pm to 3:30 pm and is located in the School Hall.

We currently have a great range of items in stock from sizes 4-12 and all are in good, clean condition. Prices begin at $2.00 for polo tops, shorts, windcheaters, skorts, etc; so come and have a look and save yourself some money.

We also gratefully accept donations of used clothes, bags or hats that are in re-sellable condition (nothing too faded or torn) and these may be handed in at the office.

Please note, sales are CASH only and we cannot change large bills.

BOOK BUSTERS!

@ CHELSEA LIBRARY

A book club for kids in grades 4,5 & 6. If you LOVE books, activities, snacks and having fun in the library then Book Busters is the club for you!

When: The last Thursday of every month, 4.00-5.00pm
Where: Chelsea Library, 1 Chelsea Rd Chelsea
Who: Primary school aged children in grades 4, 5, & 6
Cost: Zilch, zero dollars, nada, nothing! It’s free!
Chelsea Basketball Winter Season
Commences April 28th 2014

Would you like to build on your child’s education?

Come to Kumon Chelsea Education Centre!
5 Blantyre Avenue, Chelsea 3196.

WE CAN HELP

OUR GOAL: ‘every student beyond grade level’

Math (mental calculation program including algebra) and English (grammar and reading comprehension) programs.

Call Lena Gvirtsman on 0402 065 154 for an appointment.

I will explain the benefits of Kumon method and test your children in Maths and/or English.

It is free!

I am also offering two weeks free trial.

Then you can decide if this is what your children need.
Water Cycle/Integrated Water Management Schools Event Program

Celebrate the end to Term 1 with a fun school visit to the Edithvale Seaford Wetland Education Centre.

This unique program of activities is an affordable, accessible way to spend time at our award winning, sustainable education site, and may whet your appetite for a future visit to experience our regular education offerings.

What’s included:
- Macroinvertebrates (Water Bug) identification activity
- Test drive our new Water Cycle/WWP activities (depending on age of group)
- View our centre and find out about other activities for future visits

Numbers are limited.

Autumn School Holiday Program - 2014

Come and visit our sustainable, award winning building, to see permanent and migratory birds in their natural environment and learn about our local wetlands.

Thursday, 10 April 11am-3pm    Changing face of the Wetland
- See the wetland transformed to open grassland (and maybe view a kangaroo)
- Learn about where the migratory birds have gone, and when they will be back
- Make your own migratory bird to take home

Wednesday, 16 April 11am-3pm    In My Backyard
- See how wetlands improve your neighbourhood
- Contribute to community wetland posters
- Walk/ride to our centre along the extensive network of shared pathway

Drop in at any time within the opening hours

For more information contact Melbourne Water on 13 17 22

Groups of 10 or more please notify our staff on above number.
