PRINCIPAL’S REPORT

Denise Webster

Thank you to the parents of our new Preps for 2012 who attended the information evening on Tuesday. We were able to outline the program we have for our prep students and talk about many of the experiences and procedures new parents will encounter when their child begins their school life. Most importantly, it gave us the chance to begin our partnership with our new families so that together, we can support the learning and development of each child.

Our Whole School Transition program will be held this year on the 14th, 15th and 16th of December. Over 3 consecutive mornings, students work in their classes with their teacher for the following year. The format of these sessions is designed to:

- Allow teachers and students the opportunity to begin establishing positive relationships
- Eliminate the feeling of trepidation that some students experience when faced with new people and environments. Give them the opportunity to get to know their classmates.
- Engage the students in a variety of activities incorporating both oral and written skills.

This program has proven to be of great benefit to both students and teachers over the past couple of years and assists everyone in a seamless transition into the next level of schooling.

Booklists were sent home this week which give details of the materials needed by students and the payments which assist in providing the curriculum programs we run during the year for all students. If you haven’t received your copy please contact the office to arrange for one to go home with your child.

This year’s ‘Parent Helpers Morning Tea’ will be held at 10.45 am on Wednesday December 7th. This event allows us to thank parents who have supported us in a variety of ways, throughout the year. More information will be sent home next week but in the meantime mark the date in your diary so that you can come along and join us.

Please note that there will be no whole school assembly this Friday as the senior students will be ‘Sailing’ at Chelsea Yacht Club and a number of teachers will be participating in a Professional Development day. Years 1 and 2 will be presenting assembly on 2nd of December.

**OPENING OF THE EDITHVALE-SEAFORD WETLANDS DISCOVERY CENTRE**

Scott and Laura enjoying the view from the Wetlands Discovery centre last week

Last week our school captains - Laura Tomlinson and Scott Kingsbury attended the official opening of the Edithvale-Seaford Wetlands Discovery Centre by Donna Bauer MLA, State Member for Carrum. They were joined by other local school students and were treated to a brief information session about the features of the discovery centre and had the opportunity to hear about its importance to our local wildlife.

This new education centre has been designed to provide school students, special interest groups and the general community with the opportunity to participate in practical, fun, and hands-on activities that show:

- how the wetlands work;
- the plants and animals of a wetland;
- the area’s indigenous and European history;
- The sustainable building design.

As well, it is estimated that at any one time, as many as 7000 birds make Edithvale-Seaford Wetlands their home, some from as far away as Siberia!

With only 3 weeks of canteen left, our stocks will not be replenished after next week. All items are currently well stocked, but when items are not available, the students will be asked to choose an alternative.

Sushi Day was a huge success, with 272 rolls ordered. Thank you to Claire and Sharyn for the wonderful help they gave on the day.

Thank you also to all my helpers who worked tirelessly in the canteen over the last fortnight. We have had many busy days with the warmer weather, selling ice-creams and juice cups. Thank you also to those students who waited so patiently in the queues.

I am currently asking parents about their availability for next year’s canteen roster. If you would like to help out next year, please come into the canteen and leave your name.

Summer Reading Club for Children: 
The Amazing Read

All children (up to the age of 16) who can read independently are invited to become members of the Summer Reading Club. The Club, a popular annual event, is free to join at any library in Kingston. Children are asked to write down the names of the books they read and they can then go into the draw to win prizes. The more books children read the more times they can enter the draw.

The Summer Reading Club program encourages young people of all ages in reading, writing, sharing books and other fun and engaging literature based activities over the summer period.

Kingston Libraries will launch the Club on 1st December and it will run through until January 25th, culminating in a big party where prizes will be drawn. You must attend the party to be eligible to win a prize.

This year for the first time we will also have a weekly prize draw. To enter, simply tear off the bottom of your date due slip when you borrow and pop it in the competition box at your local branch.

Summer Reading Club packs will be available for collection from your local library branch from 1st December.

The Summer Reading Club is organised by the Kingston Information and Library Service and Australian Library and Information Association. It will run in most public libraries across Australia over the summer break.

Kingston Information and Library Service also wishes to acknowledge the generous support of the Mordialloc-Mentone Lions Club with this program.

BOOK CLUB

Our last Book Club for the year is due back tomorrow, Friday 25th. I wish to take this opportunity to thank everyone for their continued support.

Money raised has been used to purchase more books for our library

Thanks again

Jenny Glavis and Fiona Hefford

AFTER SCHOOL CARE
The After School Program is conducted by Kingston Council in our school hall from 3:30 pm to 6.15 pm on school days. After School Care was established to provide quality care for primary school children in a supervised, relaxed, safe & fun environment.

The program caters for parents who work, study or due to other commitments require After School Care and to allow children to play together, participating in the varied recreation activities provided.

Parents wishing to enrol their children are asked to contact Charmaine at Kingston City Council on 9581 4867 or Paromita on 0439 081 059 for further information.

BPAY OPTION
You can pay your excursions and other charges, via internet banking. Your BPay reference will be printed on your statement.

Please only use BPay for payments of $20 or over. You can of course, combine several outstanding charges to make the $20 minimum.

For ALL BPay payments, we need to be notified of what your payment is for. The easiest way is to email us on edithvale.ps@edumail.vic.gov.au with BPay in the subject line. Or of course, tick the BPay option on your payment envelope or excursion notice.

If you have any queries, please phone Sandie Wishart on 9772 1393.

CONFIDENTIAL STUDENT INFORMATION
Thank you to those families who have filled in and returned the confidential student information forms we sent out earlier in the year. It is important for us to hold current student information at school, which includes medical information and emergency contacts, in case of an unforeseen accident or illness.

Would you please send any outstanding forms back to the school office urgently so we can have this up to date information at hand. And also, if you change any of your details, please let us know ASAP.

ELECTRONIC STATEMENTS AND NEWSLETTERS
We are now sending family statements out via email, which has been a big success. Our first lot newsletters were also sent electronically late last term (as well as providing the usual hard copy).

In time, we will commence sending newsletters via email every fortnight and eliminate the number we need to print. This should make things easier for everyone and will make us a much ‘greener’ school! If you don’t have an email address, then of course, you will still receive a hard copy.

EDUCATION MAINTENANCE ALLOWANCE (EMA)
Some of the EMA cheques have arrived at the school office. Please enquire at the counter to see if your cheque is in, as soon as possible.

LATE PASSES
If you are late to school, you must come to the office for a late pass. It is then taken to class and given to your teacher, where it is collected and recorded on our CASES21 attendance system. This is a legal requirement—not just a requirement of the school.

MONEY ISSUES
Please note that we do not have money readily available at the office to give change. The day’s takings are banked every day and we do not hold a ‘float’ for the next morning. Please endeavour to bring the correct money when making payments or use BPay where possible, which will save you a trip to the office—and save us a trip to the bank!

PARKING ISSUES
Please observe all parking signs around the school, particularly in Haig Avenue. Reports have come in from parents, that people are being booked by by-laws officers in that area on a regular basis. Please note also, that parents are not to park in the staff car park to collect their children.

SCHOOL CROSSINGS
Our school crossings are an important part of our school. They enable both children and adults to cross the roads that bound our school in safety. Please use the crossings correctly to ensure everyone’s safety and to set a good example for our students.

STUDENT BANKING DAY
Bank books are brought to school on TUESDAY for processing on Wednesday. Forms for new accounts are available from the school office. With as little as 50 cents and a Youth Saver Account, you can become a super saver!

Don’t forget your school banking. If you have a camp or an excursion, drop your banking off at the office before you go. Keep on saving for your rewards—and help raise funds for your school at the same time as we receive a commission on all deposits made via the school.

UNIFORM SHOP
The Uniform Shop is located in the Prep corridor between Prep 1 and Prep 2 and is open every Tuesday afternoon from 3:00 pm—4:15 pm. Payments can be made by EFTPOS or cash.

UNIFORM SHOP—SECOND HAND
The Second Hand Uniform Shop is located in the School Hall and is open every Tuesday afternoon from approximately 3:00 pm to 3:30 pm.
