PRINCIPAL'S REPORT Mr James Whitla

What an awesome night we had last Thursday at the Kingston Arts Centre! Our students (and teachers) put on a wonderful concert that has received many, many rave reviews! The success of the concert was a combined effort, with plenty of parents working feverishly on costumes, students deeply engaged in learning their items and our amazing staff using their talents to co-ordinate and harness the energy of our students. It was great to see the Arts Centre packed; and to be part of such a fun and entertaining evening. A special thanks must go to Mrs Kerrie Evans and the performing arts team for their dedication and hard work in the lead up to this event.

Next week we will continue the process of transitioning all of our students into their next Year level, ready to commence their studies in 2016. On Tuesday, and again on Wednesday and Thursday, all students will get to meet their new teacher and classmates. Students have all provided us with a list of 5 friends that they feel they will work well with and we have ensured that each child has been placed with at least one of his or her friends in 2016. We have finalised these lists and look forward to the excitement that is generated with change. Teachers will be taking their new students through some **'getting to know you' activities as well as** some English and Maths sessions.

Our senior school students have been taking part in **our process to find next year's school leaders.** After a participating in a combination of speech writing and delivery, team building activities and a Q & A session, our 2016 school leaders will be determined. These will be announced at our final assembly- to be held at 2:30 on Thursday 17 December.

At this time we will farewell our Year 6 graduating students and a number of other families who have been a huge part of our culture in their time here at Edithvale.

The 2015 Semester 2 Reports are in the final editing stage. They will be distributed the final week of school on Monday 14 December.

School will still be open - except for the office - for a final clean up of rooms and the school yard on Friday 18 December before we shut our doors at 1:15pm.

Finally I'd like to acknowledge the contributions that 3 of our School Councillors have made to our great school in my time here at Edithvale Primary. Mr Martin Taylor and his wife Tania and Mrs Lara Sinclair have been wonderful advocates for our school. They have done an incredible amount of work behind the scenes to help make our school **what it is today. Martin's tireless work on our** Buildings and Grounds and prudent financial management strategies ensures that we are the envy of many local Kingston schools. Along with his wife Tania; and Lara; they were instrumental in raising funds for our school- which culminated in an enormously successful fair earlier this year.

A plethora of BBQs on election days and at Bunnings have not only injected much needed funds into our school, but also helped to generate a unique a strong spirit in the community.

All 3 have made significant contributions and on **behalf of our students, parents and staff I'd like to** thank them for their efforts and wish them all the very best.

EDI'S GAME SHOW

SCHOOL COUNCIL FUNDRAISING SUB-COMMITEE

You may have noticed the coloured posters around the school containing pictures of our students at the Fun Run and at the School Concert. The colour printer used to create these fabulous posters was purchased using some of the **funds raised during this year's fundraising activities**. We have also purchased the giant chess set, constructed the gaga pit and had all the lines repainted around the school. We are in the process of organizing a new bike-shed (with enclosed roof) using these funds. It has been an extremely successful year for the school council fundraising sub-committee and this would not have been possible without the support of our school community.

END OF YEAR STOCKTAKE SALE

To say thank you for your support we are selling excess stock at reduced prices. We have cans of soft drink, giant Freddo Frogs and large Marvellous Creations chocolate blocks (290gms jelly popping candy) to sell. To clear all stock, before the end of year, we are holding a sale next Friday (11 December) at 3:30pm, outside the office near the flagpoles. (If wet weather we will move the stall into the Senior Learning Centre). Prices will be \$1 for a can of soft drink, \$1 for a Freddo and \$2 for a Marvellous Creations block. **As stock is limited, it's first in first served, so be early so you don't miss. All the proceeds of the sales will contribute to more exciting projects around the school for which our children benefit.**

Thank you to the whole school community for the support of our fundraising efforts this year.

SECOND HAND UNIFORM SHOP DONATIONS URGENTLY NEEDED

Have your kids outgrown their uniform?

Why not donate them....

We are always looking for more stock in good condition. Items can be left at the office.

Items for sale from \$2.00!

Please bring gold coins or small notes only.

OPEN EVERY TUESDAY in the school hall from 2.45pm—3.30pm for purchases and donations.

Thank you.

CANTEEN NEWS Mrs Diane Cameron

Tuesday 1 December was a huge success with over 300 pieces of sushi ordered. Our QKR sales were way up from earlier this year. The canteen **had 97 QKR orders, 51 manual orders and 5 'I forgot it was Sushi Day' orders**. Many thanks to Claire and Kathy for all your help in getting these orders out on time and for serving the students during a very busy Tasty Tuesday.

Next week is the last week for Canteen lunch orders and currently out of stock are Fried Rice and Dim Sims (Mon & Tues only). Stocks low are Choc Chip muffins, Party Sausage rolls and Meat Pies. The last week of term (14/12 to 18/12) the Canteen will be open for WINDOW SALES ONLY.

At the end of this year we farewell Debbie Bond who has been helping out for over 7 years. Thanks Debbie! I will be contacting current parent helpers late in January about their availability for 2016.

Many thanks to all my parent helpers during the last fortnight, a great effort by all. Have a wonderful break over Christmas and I will see you all in 2016.

WHAT'S NEW WITH QKR?

Sandie Wishart—Business Manager

A very interesting new feature in the app is the ability to scan a card using the camera on your phone whenever you add a new credit or debit card. This saves you typing in the 16 digits - why not try it, as it should avoid those problems of typing in the wrong numbers in future. But remember, you still need to check that it has read your card number correctly, and that you have filled in the other fields.

I've noticed some new credit cards being issued where instead of the 3 digit security code on the back they now have 4 then 3 digits, so 7 in total. If you are having problems, please check you are only entering the 3 digits when prompted by QKR the first time you use a new card in the app.

Parkdale Secondary 2nd Hand Uniforms

The 2nd hand shop is located at Parkdale Secondary College and open on a Tuesday afternoon between 3 – 4.30pm. We have 2 open days left (1/12 and 8/12) then reopening on the Tuesday when school resumes.

We have quite a number of sports uniforms, boys shorts, trousers and shirts available. Girls items are few at the moment. Year 7 students will need to purchase their blazer from the shop at Mentone as we only have 2 in stock at the moment.

Payment can be made with cash at the shop, or EFTPOS at the school reception.

For a full listing of items currently available, please check Parkdale Secondary College's website. Look at the most current newsletter or the PFA page link.

Hope to see you in the next few weeks,

Sue MacDowall
(2nd Hand Uniforms Co-ordinator)
