## PRINCIPAL'S REPORT Mr James Whitla

Welcome back to Term 4. I hope that all students, parents and staff were able to enjoy a relaxing couple of weeks away from the school environment and have returned ready for a busy and exciting 11 weeks. Transition, new Foundation students, graduation, class parties, reports and our school concert are but a few events on the horizon!

It gives me great pleasure to let you know that we have secured the services of Mr Jason Moloney for the rest of the year. Jason will be working in the senior school and replaces Mrs Jane Hayes, who is taking an extended break from teaching. **Jason has worked with us previously and it's great to have him on board with us.**

In the coming weeks, our school leadership team will be establishing our 2016 class structures. If you have any information that you believe is **relevant to us about your child's learning needs** that I might not be aware of, please let me know, in writing. Staff invest a great deal of time and **thought into establishing classes and I'm extremely confident that we will again, get the balance right in 2016.**

Our school fully supports the SunSmart program and now that we are moving into the warmer weather, students need to wear their broad brimmed or bucket hats when they are in the yard at recess and lunchtime and also when they are participating in sport or physical education classes. There are designated shady areas where students will need to remain if they forget to bring their hat.

Over the next few weeks our students will be participating in an Intensive swimming program with the Fastlane Aquatics team at Haileybury. This is a part of the physical education curriculum **and we're keen to have as many students as possible attend.**

Our junior students participated in a cricket clinic

run by the Melbourne Stars this week and next week, coaches from Lawn Bowls Australia will be passing on tips to our senior students. Through the Sporting Schools Grants, funded by the Federal Government, we have been able to secure some money to purchase sporting equipment and gain access to these coaches as we strive to provide a range of opportunities to our students to shine.

We also congratulate our athletes who represented Edithvale Primary at the divisional championships on Wednesday. Have a great term everyone.

## FUTURE DISTRIBUTION

As announced in our last newsletter, we will be trialling a totally electronic delivery of our fortnightly newsletter from the start of this term.

The newsletter is published on our website each fortnight and sent out to you on Tiqbiz. A small number of newsletters will be available for collection from the office area.

We hope that everyone adopts this method of delivery and we are happy to receive your feedback. If anyone does not have access to a computer or mobile device to view the newsletter, please collect a copy from the office each fortnight.

## COMMONWEALTH BANK—STUDENT BANKING UPDATE—PLEASE READ

Following the decision last month to recall the *Cosmic Light Beam Torch* due to a potential safety issue, a decision has been made to also withdraw the upcoming *Lunar Light Band* reward from the School Banking Rewards Program.

To avoid disappointment there is a new reward item available for redemption in Term 4 while stocks last. Students can now test their skills with a game of frisbee with the new Galaxy Glider!

Once students have collected 10 tokens, they can simply include a note, along with their 10 tokens in their deposit wallet on banking day to advise that they would like to redeem their tokens for the Galaxy Glider reward item.

**Don't forget the Outer Space Savers Money Box** is also available in Term 4.

## STAFF CAR PARK

New signs have been erected on the entrance & exit of the staff carpark. Thank you to everyone for NOT parking in there. This is in the interests of safety for our students, so we really appreciate your support.

## CANTEEN NEWS Mrs Diane Cameron

Well what a warm welcome to Term 4 this week.

On Tuesday this week anyone would have thought there was a clearance sale on icy poles! We sold out of the **day's special, Cyclones** (very appropriate for the wild windy day), ice cream tubs and Calippos. Lucky I put in an order earlier that day to be delivered this Thursday.

Frozen juice cups will not be available until next week.

All items will be back on the shelf this week. It was looking a bit bare on Monday, not much to choose from.

There will be another Special Lunch Day towards the end of term (Sushi Day).

The new adjusted roster will be sent out this week. I still have some spots available on Thursdays and on Fridays from 12.45 pm to 1.45 pm to help pack lunch orders. Pop by the canteen if you can help out or if you want to be added to the roster.

## ART NEWS

Jenny Lang

What a great recognition to our Year 4 and 5 students.

Doodle 4 Google Australia

Thank you for  
Participating

**"We would like to thank you and all of Edithvale Primary School for being involved in Doodle 4 Google this year.**

**We had over 18,000 entries in this year's competition and we were thrilled with the incredible doodles. We here at Google want to pass on huge congratulations to all the students who entered this year's competition for showing their passion, talent and wonderful ideas. Although not everyone can be chosen as a finalist we can honestly say we are so impressed by the wonderful talent and effort that has gone into every doodle we received. A big thanks to Edithvale Primary School's doodlers!"**

Mordialloc College is holding its annual Art Show in week 3 of Term 4. This is a true community affair with the talents of Mordialloc College staff and students, our local primary school students and community members on show. The gala opening is on the evening of Tuesday 20 October. Edithvale PS will have some wonderful artwork on display – more info soon.

Max, the school handyman has started putting up **our new display. If you haven't yet** seen the new outside display in the garden area next to the library, based on our theme last term on Indigenous artists, walk through to see some inspiring Aboriginal art.

Lastly the art room is open at lunchtime every Tuesday and is a hive of activity with students drawing or making anything they want with the supplies provided. I can always use small yoghurt containers and newspaper is again, in very short supply. Just leave the donations outside the art room.

Thank you.

## EPS CHEERLEADING AND HIP HOP

Sharlotte Cua & Kerrie Evans

During the first weekend of the holidays, a number of EPS students participated in the AASCF (Australian All Star Cheerleading Federation) State competition held at the Melbourne Sports and Aquatic Centre in Albert Park. Both teams performed extremely well, with both the Hip Hop and Stunt teams coming in first place! These competitions are a great way for students to build confidence and teamwork skills which showed in each of their performances. Well done to all those who have participated!

### SUNSMART

A timely reminder ...

If you can see skin, UV can reach it.

Between *September and the end of April 2015*, please ensure all children:

- Wear cool, loose fitting clothing that covers as much skin as possible
- Wear a sun protective hat for all outdoor activities
- Apply SPF 30 or higher broad spectrum sunscreen during the day (please see sunscreen tips below)
- Have access to shady play spaces
- Wear wrap-around sunglasses labelled AS 1067 (if practical).

### SUNSCREEN TIPS

- Regular use of sunscreen has been shown to reduce the incidence of melanoma and squamous cell carcinoma, both in the short and long term.
- Choose SPF 30 or higher broad spectrum, water resistant sunscreen. Make sure it is within its use-by date and is stored below 30 degrees. It is best to apply a generous amount of sunscreen to any exposed skin around 20 minutes before going outdoors. Sunscreen should be reapplied every two hours even if the stated level of water resistance is 4 hours.
- Store sunscreen with lunchboxes and/ or hats so when children grab their lunch or hat before going outdoors, they will also be reminded to apply sunscreen. If sunscreen is kept in the cooler section of the lunchbox, it will be cold when applying - **especially nice on a hot, summer's day.**
