Term 2 - Week 11

19TH JUNE, 2008

As Jan and I walked around the school yesterday, we were besieged by plundering prep pirates who were looking for clues for treasure and other things of particular pirate interest. From there we took a right turn and walked into a golf clinic for the grade 6 students (a number of whom, according to someone who knows, 'have potential') as well as group of grade 5 students who had just returned from their planting activity with the ranger down at Chelsea beach. There have been an abundance of great activities and it was wonderful to see the children having fun with their learning.

Reports are now finished and will be going home tomorrow. Please take the opportunity to make an appointment time with your child's teacher to discuss these reports. Also, each family will be given a copy of the 2007 Annual Report. Please note that students will be dismissed on June 27th at 1.30pm.
