Term 2—Week 9

20 June 2014

Doing the Right Thing, Working Together & Aspiring Higher

PRINCIPAL'S REPORT

Mrs Denise Webster

As we make our way quickly to the end of term there are a few reminders I would like to make.

Firstly, if you have a child who is due to start in Foundation (Prep) next year, would you collect and complete an enrolment form as soon as possible. We are hoping to confirm our numbers early next term in preparation for the transition program that begins in August.

Secondly, reports are being sent home on Friday and Parent Teacher Interviews are scheduled for Monday and Tuesday. I would encourage you to book a time to meet with your child's teacher if you haven't already done so. This is a wonderful opportunity to have a focused discussion on the learning progress that your child has made and work in partnership with the class teacher to support them in the next stage of their learning.

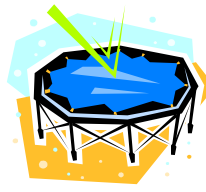

Over the past few months our administration staff and some members of our school council have been researching and trialling a variety of phone apps for communication and payment methods which will make life easier for you and for us in terms of time and efficiency of service. Some of you may already be familiar with this type of technology if you have older children at other schools. We are hoping that we will be able to introduce them early next term, so watch this space!

I would like to congratulate all of our students and staff for a very productive term's work. When I visit classrooms I see students completely engaged in their learning and increasingly proficient in talking specifically about the focus of their learning and how they are progressing - not just an outline of the task that they have been set. This developing ability to self-reflect will stand our students in good stead in their future learning.

As this is our last newsletter for the term I would like to wish everyone a safe and happy holiday. I will be taking a few extra weeks of leave to visit my son in Canada and while I am over there, you will be in the safe and capable hands of James Whitla who will be Acting Principal.

CONGRATULATIONS DREW

Drew Kugimiya (5/6D) has been busy in the past couple of weeks competing in both the State and National Level Trampoline Championships (this year held at Hisense Arena).

He made it through to the finals in individual trampoline, and he and his partner won a silver medal in the synchronised tramp category.

Next stop is Tassie for the Annual National Clubs comp in August - Go Drew!!

CONGRATULATIONS TOM

Congratulations to **Tom Wilcock** of Year 4 who has qualified for the **State Cross Country Championships** that will be held early in Term 3.

This is a terrific achievement and we wish him all the very best for this event. Good luck Tom!!

ABSENCE PROCEDURES

If your child has been away from school or is going to be away, please send a written note explaining your child's absence. A phone call to the office is appreciated if the absence is unexpected with a follow up note when your child returns to school.

EMA APPLICATIONS

Educational Maintenance Allowance (EMA) applications for Semester 2 are due by 1 August. To be eligible to receive this allowance parents/guardians must have a Centrelink Health Care Card or Pension Card which is valid on the first day of Term 3 (ie: 14 July 2014). Application forms are available at the office.

If you are new to Edithvale Primary School or have not previously applied for EMA and have received a Health Care Card or Pension Card since March, you will need to fill in an application form.

If you received EMA in Semester 1, and your circumstances have not changed, you do not need to re-apply.

PREMIERS READING CHALLENGE

Kerry Mitvalsky

If you haven't already sent in your consent form, can you please do so now.

For Years Prep to 2, students will need to read 30 books (20 from the Premiers Reading Challenge List) and for students in Years 3 to 6, 15 books (10 from the Premiers Reading Challenge List).

If you have any completed lists, please return them to your teacher so that the data may be entered.

Students will be able to borrow books from our library during their library lesson, but if you wish to change the book prior to their next lesson, the library will be open on Wednesday mornings between 8.30 am and 8.55 am.

If you have any queries, please don't hesitate to ask Mrs Hayes or Mrs M.

STAFF CARPARK

For the safety of students and parents, we ask that parents park in the street and use other entrances.

The carpark is for staff use only.

FOUNDATION/PREP VISITS

Jaime Rohan

This term, the Foundation Prep students have been learning about people in our community who help us. We were lucky enough to have some nurses come and visit and tell us all about their jobs! Here are some of our reflections and photos.

I liked showing them my x-rays. Laura

I liked hearing my own heart. Billy

My favourite part was when they showed us the breathing cups. Chanel

I liked looking at the x-rays. Ana-Sofia

I liked it when people got bandaged and when I got a hat. Harry B

I saw an x-ray on the board.

I held a syringe. Milla

I saw a syringe.

I saw a bandage on Luke's arm. Zoe

DEAR TEACHERS AND FAMILIES

The Year 5/6 C Giant Jigsaw has been chosen to be on display at Zart Art Children's Gallery. You can attend during business hours during the school holidays or come along to the opening.

Young Artists from your school are exhibiting in our Student Gallery this Term and it is with pleasure that we invite you to our Term 3 Gallery Opening.

Galleries such as ours are dedicated spaces for Young Artists to showcase their work to an audience outside their immediate peers. It is an important part of any artists' development to display their work and then have the feedback and congratulations from immediate influences such as their school, teachers, principal and of course their parents.

We hope to see you in the Gallery for this wonderful event celebrating the artistic merits of our future artists.

Maths Corner

Puzzle of the Week!

You need to arrange the numbers 1 to 8 in the grid, so that consecutive numbers are not near each other, either left to right, up and down, or diagonally.

Last week's puzzle solution - There are 35 triangles in this figure!

A game to play at home ...

Guess my number

Player one picks a number between 0-99 and writes it down.
(it could be 0-10 for younger children, 0-1000 for older children).
Player 2 makes a guess and writes it down.
Player 1 gives player 2 clues about their guess—e.g. Your guess is MORE than my number, your guess is LESS than my number.
Continue playing until player 2 guesses correctly, swap roles and play again!
