PRINCIPAL'S REPORT Mrs Denise Webster

On Monday evening we welcomed the parents of our new Foundation students, to Edithvale Primary School for an information session. The focus was on 'Getting Ready for School' and on how we, as partners, can make this transition into school as smooth as possible for the children. We were also able to talk about the many opportunities that there are for parents and families to become more fully involved in their child's education. We look forward to the beginning of a long and productive partnership with the parents of our newest arrivals.

I was a little disappointed to hear that some of our students are not using the school crossing in Fraser Avenue. It is vitally important for the safety of everyone, that we remember to do the right thing at all times on the way to and from school.

Please remember that next Monday, 24 November is a Curriculum Planning Day. Teachers will be starting their curriculum preparation for 2015. No students will be required at school on this day.

## SRC (Student Representative Council) Ann McAllen \& Catherine Arblaster

Our SRC is one way we seek to provide leadership opportunities at Edithvale Primary school. During the course of the year SRC meets weekly on a Monday to develop leadership skills through a variety of activities. The students are happy to give up their time to make a difference to our school.
At the beginning of the year we brainstormed the qualities of a good leader and came up with ideas such as, listening to others, being organised and a good role model.
We worked to develop listening skills such as, asking open and closed questions, seeking clarification and being able to reflect on the feeling of others.
The older students have been effective mentors for the younger students by encouraging them when they have ideas to share or helping them with special
projects. The students have organised whole school events such as "Walk and Ride to school day" and making props from the Edi's Got Talent.

As representatives for their class, they voiced student opinions and ideas from their classmates on ways to enhance our school.

All the members of SRC this year have been competent and confidant members of the council. We are proud to see how their leadership skills have grown throughout the year.

Our 2014 SRC members are:
1A Banjo Sinclair
2A Harvey Stewart
3A Zara Quin
1B Maya J ohnston
2B Thomas J acobs
3B Indiana Cook
4A J ackson Forster
4B Simone Crick
5/ 6A Laura Melatua
5/ 6B Reece Mitchell
5/ 6C J ames Vicendese \& Haley Prasad

## CURRICULUM DAY

The Kingston Council's Before \& After School Care will run a program for the EPS Curriculum Day on Monday 24 November. The day will operate from 8:00 $\mathrm{am}-6: 15 \mathrm{pm}$. If you require care prior to 8:00 am then you will need to book into BSC at St Louis and your child will be bussed to Edithvale on Monday morning. If you are permanently booked into BSC at St Louis on Monday 24 November and you DO NOT use the service you will not be charged.

## EPS FUN RUN 2014

I had fun on fun run day. I did sixteen laps. At the end we got a tiny bottle and an icy pole. There was music too. Noah Smits - 1A

The fun run was fun. I did 12 laps. We had to go through the obstacles, it was great. I liked going over the hurdles, jumping on the mat and going through the tunnel. We got icypoles. It was great and we got drink bottles. Felix Mocnay - 1A

On Thursday I had a fabulous Fun Run! First of all the teachers, Miss Miller and Miss Rolls handed out the name tags. Then we lined up in classes, then Ethan Carol showed an example run. When we started running we went on the hay jump, and then we jumped all the way through the ladder. We went through the tunnels and jumped over the hurdles and ran into the other tunnel. We jumped over the beds and balanced on the logs. We had to put bean bags on our heads! The Year $5 / 6$ students punched the name tags. I did 12 laps around the oval. At last we had an icy pole and a drink bottle. WOW! What a great day I had. I can't wait until the 2015 school Fun Run! - Wilson Tan - 1A

On Thursday it was the school fun run! At 10:00 the teachers Ms Rolls and Ms Miller gave us a little piece of paper so that we knew how many laps we had done. First Holly showed us what to do. What we had to do was jump off the hay and then climb the ladder and then we had to crawl through the tunnel but if you wanted you could skip the tunnel. Then was the hurdles then was the big mat that was really fun! Then we had to stop. We got a drink bottle and an icy-pole. I did 11 laps. I think that was awesome! Hana Patselis -1A

What a great Thursday I had it was the EPS fun run! It was a first time experience and I was so excited when the day came. I decided that I should wear my school top and some blue shorts with two white lines going down the sides, because you got to wear your house colours. My house colour is blue. First thing was that we got a tag that said our name on them and we attached them to our wrists then off we went, after we lined up on the netball court. The Year 3 s went first and started the parade and then it went down in classes. I jogged all my laps and on my first lap I thought that it was going to be easy. On my fourteenth Iap Miss Miller raced me. I won Whoop! Whoop! It was sort of easy, even though I was puffed out. She was still an easy prey. In all of my laps I did eighteen if you're going to say wow, don't, because my friend Cleo did 25! I bet that will astonish you! After that we got an icy pole; the flavour I got was orange flavour, it was yum! We also got a miniature drink bottle I put the juice from my icy pole into the tiny drink bottle. The first obstacle was a stack of hay and when I jumped I felt like I was falling off a cliff ... sorry I don't have enough time to explain everything. I thought that it was awesome. I am serious. If you go to a different school and you don't have a fun run I recommend that you should ask one of your teachers to see if it is possible. Eva Hay - 1A

On Thursday the $6^{\text {th }}$ of November Year 1 did a fun run. First of all, a house captain showed us how to do it and then the Year 2 s and the Year 1s lined up. At first we had to climb the haystacks and jump onto the mat it was really fun. Then we did the ladder it was really fun. We ran to the tunnels, there was a blue one and a green one. I went through the blue one. It was fun. Then we did the hurdles. I jumped over the little hurdles it was very fun. Then we had to crawl under a net and my hole-punch card got hooked on one of the hooks. Then we had to jump on the mat. It was fun. Then we did the balance beam. I went on the little one and then I got my hole punched. At the end I ended up with 25 hole punches. My mum came to watch me. We got an icy-pole and a drink bottle. It was fun and very hot but I still hope we do one next year. Cleo Cook-1B

On Thursday I did a fantastic fun run! First I got ready then I went on the high jump. I liked it because I jumped very high. The next activity was the ladder on the ground. I liked it because I stepped on all of them. The next activity was the tunnel which I liked because I got a chance to do all of the them. The next activity was the hurdles. I liked it because I did the big hurdles without touching them. I did 20 laps. I liked the fun run and I hope

## CANTEEN NEWS <br> Diane Cameron

The Canteen has 3 weeks of lunch orders left, with the final day of lunch orders being Friday 12 December. The final week of term will be window sales only, selling any stock left. Currently the canteen has all items, but some will not be re-ordered as they are not sold in big quantities. These items will be substituted with another item. All frozen items are still available and will be until the end of term.
Congrats to the new Sippah Straw record holders Rachel Hepworth and Fiona Hefford who now hold the record of 42.
Thanks to my helpers over the last fortnight and to the Year six helpers your help is most appreciated.

## SUSHI DAY

The Canteen will be running a Sushi Day on Tuesday $2^{\text {nd }}$ Dec. Order forms were sent out earlier this week and are to be returned to the Canteen by Friday $27^{\text {th }}$ November. Also orders can be placed and paid for online using $\mathbf{Q k r}$. This will be good practice for you all for next year when the Canteen goes 'high tech'!

## CONGRATUATIONS DECLAN

Declan McCormack of 2B participated in the Upstream 20km Challenge on Saturday 15 November. Running alongside his Dad, he crossed the finish line within three hours. Declan ran 12 km out of the 20 km and was presented with a medal from footballer Matthew Richardson.

Declan was part of the team supporting 'The Isabella and Marcus Paediatric Brainstem Tumour Fund'.

The foundation's mission is to fund research into paediatric brainstem tumours (DIPG) and to one day find a cure. Declan was congratulated by many people along the way, as this was such a great achievement for an 8 year old.

Well done Declan!

## QKR PAYMENTS Sandie Wishart-Business Manager

You will have noticed that we are really pushing the use of $\mathbf{Q k r}$ for making your school payments. Thank you to the many parents who have taken up the challenge and downloaded $\mathbf{Q k r}$ and commenced making payments that way. I am sure these parents can confirm for you, just how easy this process is. Please take the time to download $\mathbf{Q k r}$ from the App Store on your Smartphone and get acquainted with it. Eventually we will be using Qkr for ALL payments, (unless you do not have a device capable of downloading $\mathbf{Q k r}$ ), eliminating the need for cash to be sent to school with your children. Next year, our Canteen will also move across to $\mathbf{Q k r}$.

The latest opportunity for you to try $\mathbf{Q k r}$, is the Sushi Roll Lunch. Information was sent home this week, and is also shown in the 'Canteen News' section (left).

## 2015 STUDENT BOOKLISTS

Student booklists for 2015 were sent home this week. Please take the time to read through the instructions and order your booklists online, via Officemax. School charges can also be paid via Officemax. Bookpacks will be delivered directly to your homes but note that there is a late fee for late orders, so please make sure you order before the due date. Thank you.

## 2ND HAND UNIFORM SHOP

Mrs Mac has handed two large bags of unclaimed lost property in to the Second-Hand Uniform Shop. I recognise some items I have previously sold, which were not re-labelled with the current owner's details. If you do purchase from the Second-Hand Uniform Shop please re-label straight away.
I will wait several weeks to place these items on the shelf for resale, so please come and have a look if your child is missing a jacket or jumper.
In the meantime we are still accepting good quality, clean items, to sell. Please note we cannot sell anything with significant fading, tears or stains as these do not meet EPS standards of dress.

## SEEKING VOLUNTEERS Fundraising Committee

We are looking for volunteers from $8.00 \mathrm{am}-5.00$ pm to help on the BBQ and $8.00 \mathrm{~m}-11.00 \mathrm{am}$ for the cake stall on Election Day. Cakes can be brought to EPS on the Friday (28th) for pricing, either before or after school. Notices went home yesterday. If you can help, please return the notice, with your details filled in, by 25 November.

## STUDENT BANKING NEWS

## WIN A GOPRO OR A SLIP N SLIDE DOUBLE WAVE RIDER <br> It's Never too late to start!

In recent newsletters, we told you about an Awesome Competition where students can win some cool prizes for the Summer Holidays!
There are 40 Go Pro Camera's and 150 Dual Lane waterslides to be won!!!!
All you had to do was make a deposit in the last 3 weeks to get entered into the draw ( 3 deposits in 3 weeks $=3$ entries!) Winners will be announced soon. If you have lost your yellow book don't worry; just send along your deposit in an envelope with your name and student number/ Account number on it and we can send back a brand new Yellow Wallet. EASY!

Full Terms and Conditions can be found at https:// www. commbank. com.au/ personal/ youth-students/ school-banking-program.html

## Edithvale Preschool 60 year celebration

Come and celebrate 60 years of children's early education in Edithvale.
Enjoy a fun filled afternoon reconnecting with your past kindergarten friends and teachers and share the experience with your families.

## City of Kingston-Vacation Care Program

We are excited to bring to you the summer 2014 / 2015 Vacation Care program. This program has been developed through consultation with children, families and educators. It is a fun filled program giving children opportunities to follow their interests, have new experiences, make new friends, explore, learn, discover \& experience success through play.
Enrolments Start: Monday $17^{\text {th }}$ November and Close: Friday $5^{\text {th }}$ December 2014.
It is requested children who require support for inclusion in a program, submit enrolment and payment forms as early as possible to allow time to apply for funding.
Don't miss out on your children's spot at one of our fantastic programs. To find out more visit Kingston's website www.kingston.vic.gov.au. For enquiries please call the Vacation Care Team on (03) 95814846 or (03) 95814875.

The new Qkr app is now live for families of students at Edithvale Primary. Qkr by MasterCard can be downloaded for free from Apple's app store for iPhones (iPads should download the iPhone app) or from Google Play for Android phones and tablets.

After downloading the app and registering, simply type EDITHVALEPS after tapping the magnifying glass in the top right of the home screen of $\mathbf{Q k r}$, and then the app will always recognise you as part of Edithvale Primary in future to make payments even easier. As time goes on, you will see $\mathbf{Q k r}$ as our preferred option on all payments.

Why not download it today and take a look at our school on Qkr - all feedback to the school office is very welcome. School charges will be added as they arise so you can get started using this quick and efficient technology.

New features keep being added to Qkr, and you need to ensure that your phone keeps up to date in order to have the new feature rich versions of Qkr working correctly.
Apple claim that over $95 \%$ of iPhones are now using iOS 7 or 8 , but clearly there are still some people using old versions of Apple's operating system and this will limit your ongoing ability to use $\mathbf{Q k r}$.
It doesn't necessarily mean you need to go out and buy a new phone, as even an old iPhone 4 can support iOS 7, but for those who ignore Apple's free updates, it means you will have to use the website version of $\mathbf{Q k r}$ if your phone operating system does not keep up with the new feature rich versions of $\mathbf{Q k r}$ being released.
Apart from potential problems with $\mathbf{Q k r}$, not updating your operating system will limit your ability to use a wide range of new apps, and it even exposes you to security flaws or bugs from Apple that have since been fixed.

Did you know that you can send your absence notes through to us using tiqbiz? It's quick and easy and lets us know straight away if your child will be absent. We have $\mathbf{1 7 2}$ people signed up for tiqbiz so far and we're aiming for every family. Please take the time to download the app and install it on your smart phone now. Generic instructions are included below but we have specific instructions for Windows, Apple and Android available at the office.
