ASSISTANT PRINCIPAL'S REPORT

Mr James Whitla

It was wonderful to see so many special visitors at school on Wednesday afternoon as part of a busy Education Week participating in activities in the classroom. It was a chance for our staff to showcase some of the different learning opportunities that our students have access to on a daily basis and we were delighted to see so many guests. On Monday and Friday we had visits from our local Kindergartens as part of the extensive transition program that we provide our new students.

Last week our Year 3 and 5 students took part in the NAPLAN testing. The tests were held over three consecutive days in Reading, Writing, Language Conventions and Numeracy and students will receive their results towards the end of next term.

This week we held an Emergency Evacuation Drill as part of our Emergency Management Plan. All of our students are to be commended on the way that they conducted themselves throughout the drill.

Two weeks ago our staff participated in a whole school Professional Learning Day that focussed on **developing students' writing skills. All staff have been implementing the 7 Steps to Successful Writing** program throughout this semester and this was an opportunity for us to explore the program **further. Students' work is already beginning to show the benefits of the program and reading their 'sizzling starts' highlights the breadth and depth of talent that exists among our student body!**

Teachers are busy writing end of Semester 1 reports and these will be distributed on 19 June. In the last week of school, teachers will be available to discuss these reports with you in our Parent partnership meetings and there will be more information to follow about how you can book a time to discuss **your child's progress.**

Next Friday - 29 May, we will be conducting our first official working bee for the year from 3:30- 5:00pm. Much of the focus of the afternoon will be centred upon the Prep/Foundation area of the school and **we'd love to see as many parents as possible come** along to help us with some mulching, weeding, planting and building along the Edithvale Road side of our school.

CAMPS, SPORTS & EXCURSIONS FUND

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund will ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. The allowance will be paid to the school to use towards expenses relating to camps, excursions, or sporting activities for the benefit of your child.

The annual CSEF amount per student will be:

- ◆ \$125 for primary school students
- ◆ \$225 for secondary school students.

How to Apply

A CSEF application form was sent home to every family on Thursday or it can be downloaded from www.education.vic.gov.au/csef

Closing Date

You should lodge a CSEF application form at the school by 26 June 2015.

For more information about the CSEF visit www.education.vic.gov.au/csef

CANTEEN NEWS

Mrs Diane Cameron

The days are getting a little chillier and many are ordering Hot Chocolates with their lunch orders. This item is a lunch order item only and not a window sale item. Tasty Tuesday is still happening and this week **the canteen had choc chip cupcakes and frog 'n' pond** both for .50 cents.

With Qkr lunch orders please remember a paper lunch bag is included in the price. Please make sure orders are completed before 8.30 am on the day of order. Please check your receipt at the end of the process that the order has been done for the correct day. IF YOUR CHILD IS AWAY ON THE DAY OF THEIR Qkr ORDER PLEASE CONTACT THE CANTEEN SO I CAN REMOVE THEIR ORDER AND USE IT ANOTHER DAY.

There will be another Special Lunch Day this term on Friday 26 June. This is the last day of Term 2 and the Canteen will run a Hot Dog Day.

Many thanks to my parent helpers over the last fortnight. Welcome back to Sharon Vanderwyk

Maggie Dent is an author, educator, and parenting and resilience specialist with a particular interest in the early years and adolescence. Maggie's seminar will explore how 10 essential building blocks will build resilience and self-esteem for all children from birth to 12. These building blocks improve the cognitive, psychological, emotional and social health of children for life. Her informative, insightful and entertaining seminar will inspire parents to make small changes for young children - small things that become big things later in life.
