## PRINCIPAL'S REPORT Mrs Denise Webster

**The Royal Children's Hospital Appeal is very dear** to our hearts and once again we have collectively raised a fantastic amount of money which will go to support the young children who need to access the services of this great hospital. This year we raised over \$1,280.00.

On Tuesday evening we held the Annual General Meeting, the Election Meeting and the March General Meeting of School Council - there was a lot of work to get through however the process enabled us to have a close look and celebrate the progress of our school over the past year and then put into place plans for Council for 2015. We also were pleased to welcome new councillors, Ms Kim Murphy and Mr Will Popp who both have children in our Foundation classes.

Many of you will have heard already that one of our students was hit by a van as he rode out of the school grounds after school one night last week. Thankfully, his injuries were minor however it was very distressing for the student, his family and a number of others who were witness to the event. The next morning there was also another incident where a student was in danger of being hit by a car because he did not take the time to see what was happening around him. Could you please take the opportunity to have a discussion with your children about safety when travelling to and from school, either as a pedestrian, as a cyclist or on a scooter. Please remind them to use the crossings on Edithvale Road and Fraser Ave and take care at all times to observe the traffic around them. As motorists, it is also vital that we are conscious of the changed conditions that exist in French Ave. at the start and finish of each school day. Traffic must proceed in only one direction from 8am - 9.30am and from 2.30pm - 4.00pm. The safety

of our students is paramount and we must work together to ensure that this remains so.

Thank you everyone for a great first term -we have packed a lot into such a short amount of time. Special congratulations go to our Foundation students who have settled in beautifully to learning at Edithvale Primary School. If you are staying around the area over **the holidays we'd love you to just have a quick look as you go past the school to see if everything is as it should be. We don't suffer from a lot of vandalism and that is partly due to the fact that members of our school community inform us or the authorities if there is something of concern.**

I hope you have a relaxing and safe break and a wonderful Easter with family and friends.

## ASSISTANT PRINCIPAL Mr James Whitla

Many parents know the pain of being a parent and feeling powerlessness to help your child. Parents help their children from the moment they are born. Sometimes a child will face problems that parents don't understand and have trouble helping them with. This can leave parents feeling powerless. As a parent you are never powerless. Over the last few years we have had an increasing number of students and families seek extra support for a range of social and emotional issues through talking with mental health experts.

OnPsych, (<http://www.onpsych.com.au/index.html>) provides a range of services that aim to assist children with managing social, emotional and educational difficulties. Some of the issues that may be **hindering your child's development and what your child may need support with include:**

Anxiety/ fears/ phobias/ confidence/ self-

esteem/Parental separation Attention/concentration/ School avoidance or refusal/ Aggression and Stress management/ Family conflict/ Depression/ Bullying/ Friendships and relationships.

Some common warning signs that things may not be quite right (for both teachers and parents) include:

- ◆ Changes in typical behaviour that happened **‘out of the blue’**
- ◆ Sudden drop in academic performance
- ◆ Mood swings/ uncontrolled anger outbursts/ Often appearing sad/ Often feeling hopeless or helpless/ Often feeling anxious or scared/ Often feeling restless or fidgety/ Experiencing low self-esteem/ lack of confidence/ feeling of worthlessness/ Withdrawing from peers friends family or teaching staff/ Difficulties with coping with adversity or when things do not go their way/ Being overly obsessive/ Difficulties making and maintaining friends/ Experience bullying (victim of bully)/ Bullying others / Refusing to attend school/ experiencing frequent somatic complaints/ Feeling out of control.

If you would like to find out more about the service, which is conducted on site at Edithvale Primary School, please feel free to check out their website on the link provided or contact me directly and we can discuss how we can work together to support your child.

## ENTERTAINMENT BOOKS ARE COMING

Once again, from 16 April, we will be offering Entertainment Books (including Digital Memberships) for sale at the cost of \$65.00 each.

The School receives \$13.00 from each book sold.

Early bird sales are available now, and if you choose this option, you will receive a sheet of six **‘early bird’ offers**.

Books can be purchased securely online at: [www.entbook.com.au/189e452](http://www.entbook.com.au/189e452) or on your Smartphone using QKR or at the General Office.

Books will be sent home with your children once they are received at the school.

**The new 2015 | 2016 Entertainment™ Memberships are coming soon!**

## A LETTER FROM OUR SCHOOL COUNCIL

Dear Members of our School Community,

You may not be aware that as from 13 April smoking within four metres of the entrance will be illegal.

The government planned to introduce the ban on 30 June, but has brought it forward to coincide with the start of school term two.

This ban ensures that our children can enter and leave the school without being exposed to harmful second-hand smoke. Second-hand tobacco smoke is particularly dangerous to children because they have smaller airways and less developed immune systems compared to adults.

The smoking ban aims to reduce the role modelling of smoking behaviours around children, as they are more likely to view smoking as socially acceptable when they regularly see people smoking. Banning smoking in these areas will help to de-normalise smoking behaviour and discourage children from taking up smoking later in life.

The School Council is asking all members of our community to be aware of these changes and where possible not to smoke in plain view of our children particularly in the surrounding side streets.

The school will be posting signs at the entrances and sending out further communications at the commencement of term two to ensure we make every effort to educate our school community about these changes.

We hope that you will support us in continuing to make our school a safe and healthy learning environment for our children.

Your sincerely  
Martin Taylor  
School Council President.

CANTEEN ROSTER—TERM ONE			
Mon 13	Tue 14	Thu 16	Fri 17
		Monique Dudley	Nicole Butcher
Mon 20	Tue 21	Thu 23	Fri 24
	Fleur Eddey		Kellie Kingsley

## CANTEEN NEWS Mrs Diane Cameron

## GOOD FRIDAY APPEAL Mrs Verona Keogh

My Goodness Me! This term has gone fast and I **am now looking at next term's menu and roster.** The roster has almost been completed; I am still waiting on some helpers to get back to me about **their availability. Next term's menu will be sent** out in the first week of Term 2.

As there was no time to squeeze in a Sushi Day, this will be held early in term 2 on Tuesday 28 April. Order forms will go out the first week back. Orders can also be done on Okr.

In regards to Okr lunch orders, please make sure orders are done and completed before 8.30am on the day of order. Also check your receipt at the end of the process to ensure that the order has been done for the correct day. We have only **some minor incidents where the student's order** has not been received. The student has never gone hungry, although they may not have received what they ordered due to time restrictions of processing a late order.

Many thanks to my parent helpers over the last fortnight and for the whole term. I am still in need of some more helpers during term 2, and if you are wanting to help, pop down to the canteen and have a chat.

Have a great break and see you all next term.

Wednesday morning was a mass of doctors, nurses, surgeons and patients, as the students paraded in aid of raising money for the Good Friday Appeal.

The morning was a great success raising \$355.60. The family donations totalled \$932, which gives up a grand total of \$1,287.60. I am very pleased **to announce that we have surpassed last years' efforts of \$1,094.50.**

Thank you to all the families, teachers and students who donated towards this worthy cause. A special mention goes to Genevieve Sinclair, who brought in a bag full of coins totalling \$70

## EPS TWILIGHT FAIR

A flood of excited children burst out of their classrooms and sprint to the thrilling rides at the 2015 EPS twilight fair. **The smell of fairy floss wafts in the air, I get a rush of joy through my body. It's going to be a great night!** My stomach is rumbling just from the sight of the sizzling BBQ and other amazing food.

**I see happiness all around and the smiles on people's faces from watching the breathtaking performances on centre stage.** I can hear the thrill seekers screams as they take on the most challenging amusements around! **I don't know about you but I think the committee did a marvellous job putting on the best school fair in town!!**

By Briar Brown and Jemima Davies - 5/6A

**Ding! Ding! Ding! A stampede of students come rushing out of their classrooms. Guess what guys! It's the EPS Fair!!** Friday the 13<sup>th</sup> was supposed to be an unlucky day but not at this school, we had people winning lots of prizes, dunking teachers, winning raffles and bidding at the silent auction. The rides were awesome to go on again and again with an unlimited rides pass. The rides included the Cyclone, the Fun Slide, The Flying Chairs and a big jumping castle called Adrenalin Rush. There was lots of entertainment including our own hip hop squad performing. There was also some delicious food. It was great and we all wish the school council could pull it off again. By Seb Dobbs and Jack Mogensen 5/6A

**"Woo-hoo!" The fair had begun and crowds were rushing in to have fun with their family and friends. There was screaming and laughter. Everyone was enjoying the rides and games, there was no doubt about it!** The children were especially enjoying the dunking booth! The teachers had signed up to be dunked. And did they get dunked? Yes they did!

The rides were fantastic! The cool Cyclone was a big hit, the amazing Chair-o-plane was awesome, the brilliant **Bouncing Castle was wonderful, and last but not least... the fun as....Fun Slide!**

There was a petting zoo as well, where you could pat Guinea pigs, Bunnies, Sheep, Goats, Ducks, and Chickens. The stalls were full of surprises! There was Choc a Block, Guess Who, Ring a Bottle, Lucky Wheel and lots more. The food was delicious. If you are have a sweet tooth then fairy floss and jam donuts were the things for you! The slushy drink really did refresh you and the popcorn was great as well.

Everyone had a wonderful time at the fair and we hope we can have one every year!

By Sarisha Dhawan - 5/6D

## EPS TWILIGHT FAIR - THE RESULTS!!!!

Lara Sinclair on behalf of EPS Fair Committee (signing off.)

What a fantastic night the fair was for our school community! It seems to be unanimous that the event was a great success and it was really wonderful to see so many children and their families having so much fun. The event was very well attended both by the school community and by an impressive number from the wider community.

We are very grateful to the many partners, sponsors, local businesses, teachers and families that supported the event through their generous donations and with their time in preparing for and running the event. None of this would have been possible without such great generosity of spirit.

Special thanks to:

Kathy Barratt and Vanessa Jacobs (The Silent Achievers): For all their work in collecting, sorting and storing class donations and so much more.

Mark Weatherley: For his assistance in planning our food stalls as well as sourcing donations and discounts through his contacts in the catering industry.

Pru Hill and Sandie Wishart: For all of their assistance with the many administrative tasks involved with the fair.

Stall Coordinators: For all your help in preparing for, decorating, setting up and running the fair stalls.

Mary Katsis: For creating what can only be described as works of art, in the conversion of election polling booths to our beautiful stall displays.

Nicole Markby: For your exceptional efforts in sourcing so many great plant donations. Our Teachers: For all of your enthusiasm and support over the last 12 months. Special thanks to all those who worked on a stall and/or got dunked. We know you still bare many bruises as a result.

James Whitla for his endless enthusiasm for the event and valued feedback throughout the process and to Denise Webster for allowing us the opportunity to make it happen.

I would also like to take this opportunity to recognise once again the enormous amount of effort and time the members of the fair committee dedicated over the 12+ months of planning for this event. A huge thanks to Martin Taylor, Tania Taylor, Nicole Butcher and Steve Smith.

We are very happy to announce that over \$23,000 was raised for the school and we can now begin planning how these funds can be used to benefit our school and our children. School council and the fundraising committee will be exploring options for these funds and would welcome any suggestions or feedback you may have in this regard or in regard to the fair in general. These can be forwarded to [edithvaleprimaryfete@gmail.com](mailto:edithvaleprimaryfete@gmail.com)

Thanks again and we look forward to hearing from you.

## TIQBIZ and QKR ('quicker')

Sandie Wishart—Business Manager

We now have 230 people registered on TIQBIZ, which is great, but our aim is for all students to have at least one parent registered. If you are not on TIQBIZ, then please download it ASAP, so **you don't miss out on any information.** As more people are registering, we are sending more information out via TIQBIZ and we don't want you to miss out. You can send through your student absences via TIQBIZ also, which is so much quicker for you than having to write a note or make a phone call.

Thank you to all of those who are using QKR to pay their School Charges and order from the Canteen.

We still need to improve the uptake of this system though, to make it feasible for the School. The more people using it, the less we are paying in fees, which is important so that we can spend our funds on your children rather than spending it on bank fees.

Please download QKR (pronounced quicker) from the App Store on your Smartphone and start using it next time you have a School charge, or need to order from the canteen. It really is so quick and easy, and totally secure, being backed by Mastercard. *You can use any credit card, it doesn't have to be a Mastercard.*

A couple of points to remember are:-

- **Please ensure that you update your child's** year level and class at the start of each year, otherwise their lunches may go to the wrong class or payments may be hard to track.
- Be careful that you select the correct day when ordering from the canteen. If it is after 8.30 am, you will not be able to order on that day. It is quite easy to select the wrong date or wrong week, so be careful, **we don't want your child upset because we don't have a lunch order for them.**
- Lastly, some people are paying for items twice. All charges show on QKR until they are no longer in use at our end. Once you have paid for an item, it does not disappear from QKR, so you will need to check your records to see if you have already paid. All receipts stay on your phone [if you can't find them, pop in and see me and I will help you locate them]. Remember, you can always email us or ring the office to ask for a copy of your statement.

## EXTRA-CURRICULA ACTIVITIES

We recently welcomed Football Federation Australia's free active play program, Play Project to deliver their workshops to our Year 3-6 students. Delivered in class to students by a **facilitator, the program's fun and interactive** workshops are designed for children at critical stages of development. Created in collaboration with leading academic experts, each workshop is tailored to the needs of specific year groups and has been mapped to the Health and Physical Education Curriculum.

Our school has proudly joined Football Federation Australia's Play Project in its commitment to supporting and inspiring a generation of young Australians to engage in more active play and healthier lifestyles. Overall, the program proved to be a highly beneficial experience for students and was thoroughly enjoyed by all. For more information on the program and each of the workshops we encourage you to visit [www.playproject.com.au](http://www.playproject.com.au).

## ENVIRONMENTAL CLUB

Ms Claire Goudey

**What an amazing term we've had at Environment Club!** We have really enjoyed watering our vegetable garden and watching the plants grow. Students involved got to try the tasty tomatoes and others took beetroot home to share with their families.

*My Mum roasted the beetroot and we ate it for dinner - Sofia 2A*

*My Mum made a salad with the beetroot and it was really yummy! - Natasha 2A*

*The tomatoes were very juicy. I ate one in a salad - Maya 2A*

We are looking forward to growing some winter **vegetables and herbs next term. Don't forget,** Environment Club is on every Monday at the start of lunch.

If you have any seeds/seedlings you would like to donate, please see Miss Goudey.

## Flix Fix

### Alice in Wonderland

The Flix Fix program encourages young people to bring their friends to enjoy films in the beautiful Shirley Burke Theatre every school holidays. Pre-show entertainment and fancy dress is a tradition and of course there will be prizes for best dressed!

Our ushers open the doors 30 minutes before each film so you can parade through the cinema with your costume and enjoy pre-show arts & craft activities and refreshments all before the judging of the best costume.

Celebrate Disney's masterwork, *Alice in Wonderland*. Full of spectacular songs and dazzling animation, this is a film for the young and young at heart. Follow Alice as she stumbles into the world of Wonderland. Will she get home? Not if the Queen of Hearts has her way.
