FORTNIGHTLY NEWSLETTER

Term 3—Week 7

30 August 2013

Doing the Right Thing, Working Together & Aspiring Higher

## PRINCIPAL'S REPORT Denise Webster

Since our last newsletter there has been an assortment of activities 'on the go' at EPS and with all of them there has been fantastic community involvement. I think that it is really important that we acknowledge this and hold it up as a prime example of the type of support that we get for so many of our whole school events.

Firstly, our **Book Fair** was an outstanding success with more people coming through the library doors than ever before. Mrs Jane Hayes was assisted by a wonderful band of parent and student helpers and I'm sure that the advance promotion at assemblies and through the newsletter made all the difference.

Last Thursday the clouds cleared for just long enough to hold our annual **Fun Run**. All of the ground work was put in place by Mr James Whitla and School Captains Camille Nightingale and Liam Canavan so that the day's event could progress as smoothly as possible. It was great to see so many parents and grandparents attend to cheer on our participants.

The Prep corridors were crowded with kinder kids last week when they attended their first **transition session** for the year. While our newest Preps listened to stories and songs and made truly creative Incy Wincy Spiders, their parents stayed to have a cuppa and chat. We especially welcome those who are joining us for the very first time.

Finally, on Tuesday and Thursday this week there has been a crew of fantastic parents who have come in to make sure that all students had the opportunity to buy something special to give their Dads on **Father's Day**. We do hope that all Dads have a fabulous day on Sunday and that they are suitably spoiled.

Thank you to all who have been involved over the past few weeks - we love to see you around the school and we appreciate your contribution to Edithvale Primary School.

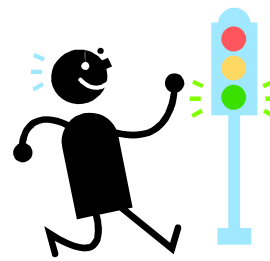

## Dear Parents ...

Kingston City Council, in conjunction with Edithvale Primary School, is conducting traffic and safety audits. These will include engineering and safety assessments, with a full community approach to addressing traffic congestion. Included here is a link to a Parent survey that should only take a few minutes to complete.

The results of the survey may highlight concerns that either the Council or the school possibly will be able to address to assist your child in safely and actively travelling to and from school.

**Parent Survey:** The online link is ...

For your convenience, BPay is available to all families. The BPay codes are shown on your Family Statement—which is sent to you each term, or just phone the office for details. Please only use BPay for amounts of \$20 or over; (you can bundle several payments together) and please email or send a note to school, so we know what to allocate your payment to.

## FRENCH DAY

### Madame Snow & Cecile

Both younger and older children alike, were looking forward to Monsieur Zarnok's visit to our school and he was more entertaining than we imagined. The staff were also very entertained. It was also educational and good to watch the children interact and take part in the magic tricks with the magician who speaks both English and French throughout the performance. The one hour show went very quickly and we look forward to getting him back again in the future. We also welcomed Robert and loved the energy he put into baking his wonderful "crepes" as always.

#### Fantastic French Day - by Iluka 4B

Hello citizens of EPS. My name is Iluka H and I am here today to talk to you about French Day which occurred on Wednesday the 14<sup>th</sup> of August.

The start of the day was amazing because we got to see everybody's incredible costumes. We gathered in the Learning Centre and listened to the great French anthem and great songs by the different classes. Then we had the awesome parade with everyone's costumes which made a super start to the day. Later on in the day we had some scrumptious French pancakes. I had two amazing lemon and sugar crepes and ate them with haste. Soon we went to the hall to watch the mysterious Mr Zarnok with our Buddies. He did amazing magic illusions and a great ventriloquist act at the end. So that is fabulous French Day. I hope you enjoyed my recount. Good night.

#### French Day Recount—By Yue 4A

On Wednesday 14<sup>th</sup> August we had our annual French Day. It was spectacular although there were some embarrassing parts. First up was our song with the Year 3s. We were standing in the Learning Centre in front of the whole entire school and some parents as well. Our song was the Gouzi Gouzi (the Hokey Pokey in French) and it was totally scary. I had extreme stage fright!

Then came the breath-taking parade. I just loved seeing everyone's outfits and masks. Some of them were absolutely delightful! I didn't have time to make a mask so when it was my turn, I was giggling and kind of afraid that people might laugh at me but they didn't. I wasn't really surprised that Fraser won but I thought Ella was going to win. As for the crepes, they were delicious and scrumptious at the same time! I had chocolate crepes and for a while, I longed for another. We all watched a movie while we ate. In the hall, we watched the amazing Mr Zarnok perform spectacular tricks with our Buddies. His tricks were fantastic. I really can't wait to see what we shall do next year!

#### French Day—By Ben H

Wow, French day! The day began with a parade; each class eager to show their style. There were some real showstoppers, including mimes, masks, and other majestic outfits. Billy, Samson and I clapped to the music the whole time! My hands were red! The winner received a free crepe to eat later on, and Jackson was our class winner, wearing his jester's hat and moustache with pride. Next came the amazing Zarnok, who bamboozled us with stunning illusions. His most unusual trick had to be when he turned Mr Jones' \$10 note into \$100, our eyes were glued to him in amazement; and no one could forget Charlie the monkey, where Mr Zarnok turned into a ventriloquist and voiced Charlie in a hilarious tale. Everyone was so upset to see Mr Zarnok go, but it was a great experience.

At 1.00pm we excitedly lined up for crepes. I ordered 2 chocolate crepes but, keen to make them last, I lined up at the end of the line. When I was served though, I took one gigantic whiff and then I scoffed them down quickly. I was pretty disappointed at my lack of effort in making them last because I had intended doing that at the start of the day.

Overall, my French day was really enjoyable and I walked away with a smile on my face. It wasn't my best French day ever, but it was good!

Staff get into the swing of French Day

## HOMEWORK & FORMS ON WEBSITE

[www.edithvaleps.vic.edu.au](http://www.edithvaleps.vic.edu.au)

A reminder to parents and students, that homework is being put up on the EPS Website each week, for all year levels. Please keep an eye on this, under the STUDENTS Tab. Also, some commonly used forms are also now available on the website, under the PARENTS Tab.

## PREP ENROLMENTS 2014

We are currently taking prep enrolments for 2014. If you have a child starting Prep next year, please call in to the office and collect an enrolment form at your earliest convenience.

## LOST PROPERTY

Lost property is stored outside the LOTE room. (Room 6). Named items will be returned to students ASAP. There are 2 bins full of clothing at the moment. If your child is missing any clothing, please check the lost property bins as at the end of the term anything that is not claimed will be washed and given to the 2nd hand uniform shop. So please come and see if any of your child's missing item is here.

## GROUND & SURROUNDS

We would like to remind everyone that the school grounds are a dog free zone. It is not very nice when students walk into the buildings with something nasty on their shoes, so if you are bringing your dog on a lead, please make sure you also have a plastic bag to pick up after them. Please remind your friends and neighbours to do the same.

## BPAY

### Mrs Sandie Wishart

There has been an increase in the number of people paying their charges by BPay, which is fantastic!

Please try this method of payment as it is a safe and convenient way to pay your school charges. Just make the payment online and then send a note along to school (an email is fine) letting us know what the payment is for. You will also need to send back any permission forms or return slips as requested.

If you don't notify us of what the payment is for, it will be allocated as we see fit; usually to your compulsory charges first, then the oldest invoices on your account. If you have any queries, please don't hesitate to call.

## APPRECIATION

The **INDIGENOUS LITERACY FOUNDATION** has extended their appreciation for our generous support in raising **\$365.15** for them at our recent **Book Swap**. The Indigenous Literacy Foundation is an initiative of the Australian Book Industry, raising funds to address critically low literacy levels in remote Indigenous communities across Australia. The Foundation works to improve the lives and opportunities of Indigenous Australians living in remote communities through the provision of books and literacy resources in over 200 communities across Australia.

The **ISABELLA & MARCUS PAEDIATRIC BRAINSTEM TUMOUR FUND** also extend their appreciation for our generous support on **Kids Dream Day**, raising **\$534.00** for them. They sincerely appreciate our kindness and generosity and look forward to keeping us informed of their progress and consequently in achieving the Isabella & Marcus Fund's goal of establishing a permanent research laboratory at the Victorian Comprehensive Cancer Centre, Parkville, researching paediatric brain tumours every day. Well done everyone, thank you for your support.

## EMA

EMA cheques have arrived. If you elected to receive your EMA by cheque please call into the general office to pick it up. If you elected for the payment to come straight to the school, please let us know how you would like it allocated.

## FATHER'S DAY STALL

**Helen Arden –PFA**

A BIG thanks goes out to all the volunteers who helped put the Father's Day stall together this year. We had a great turnout of parent helpers to wrap over 300 gifts and make sure the stall ran smoothly, helping the children choose their gifts. A particular 'thank you' and recognition to Rachel, Karen, Sarah and Nicole for all of their 'behind the scenes' work and co-ordination to make the stall possible. We hope all the Dads out there enjoy their gifts and have a great day on Sunday!

## STAFF CARPARK

A number of people have been entering the school grounds via the staff carpark. For the safety of students and parents, we ask that parents park in the street and use other entrances. **The carpark is for staff use only.** Thank you.

## CANTEEN Mrs Diane Cameron

My goodness me, where has the term gone? With only 3 weeks of term left, I am starting to work on the Term 4 Menu and the Canteen Roster.

The term 4 Menu will have some minor changes with Noodles and Hot Chocolate's removed and a slight change to the 'Meal Deal'. Also, after a few requests there will be some new window sale items.

Just a reminder to students writing their lunch orders, please use black/blue pen not the glitter or gel pens. Yes I know they look pretty and artistic, but they are sometimes very hard to read. Also remember we only accept Australian currency, please check coins put into the students lunch bags.

Welcome Lisa Carter, to our canteen helpers. Any other parents wanting to help, please call into the Canteen to see me.

Thanks to all my helpers over the last 2 weeks, your help is always valuable.

## FAMILY LIFE YEAR 5 & 6 STUDENTS

On the evening of the 27<sup>th</sup> of August, a speaker from Family Life came to educate the students about the changes that take place when you get older.

We, the students, found this information session to be interesting and it answered a lot of questions we had about maturing. It wasn't as scary as we thought it might have been.

We all felt really comfortable throughout the session and enjoyed listening to our parents share their experiences with us. It was a successful night.

## E-SMART Mrs Sharlotte Cua
