

EPS TWILIGHT FAIR DECEMBER NEWSLETTER

CLASS DONATIONS

Not long now until the end of our school year and our donation collections for the fair are in full swing. We now have lots of books for our book stall and some wine to get us started for 'Win a Wine' (special thanks to the Stewart Family (Harvey 2A) and the Bull family (Amelie 2B and Zoe Prep B) for their very generous donations to this stall. We also have some soft drinks for 'Hoop the Bottle'. Well done to 1A and Miss Miller for their great work with Class donations. We would also like to extend a huge thanks to Vanessa Jacobs and Kathy Barratt who have been tirelessly collecting the piles of books and bottles of drink from all the classrooms.

Thanks to all those 'Classroom heroes' that have already contributed so generously to these. We know behind every great student is a great parent so we'd like to send a huge thanks to all parents that have helped their children contribute. All of these donations are greatly appreciated and will make a big difference to the success of our fair. Due to some difficulties with keeping track of individual child contributions we are now going to award a 'Classroom award' each week for the Class with the most contributions and each child from this class will receive a surprise 'treat' from the canteen.

THIS WEEK we are collecting: 'Novelty items' to be used as prizes (e.g. from a \$2 shop). New items only please. Items may include; small toys, water pistols, key rings, balls, gadgets, hair accessories, bag tags, notebooks, pencils, pens, erasers, bracelets, necklaces, earrings, anklets, rings etc.

NO McDonald's toy please

NEXT WEEK we are collecting: 'Soft Drink Cans' (Brand name only e.g. Coca Cola, Diet Coke, Fanta, Sprite, Solo), Pop tops and 600ml Bottles of Water.

PRIZE DONATIONS

We have started canvassing local businesses to support our fair in the form of sponsorship and/or prize donations. We have already been lucky enough to receive some very exciting prizes and would like to thank.

Good Year Chelsea, Lyncris Jewellers, 'Style Me Up' Hairdressing (Riley – Prep B) and Channel Seven (Kemp Family – Fletcher 1A) for their generous prize donations.

If you think you may be able to help out with seeking prize donations in general or would just like to approach your local butcher, hairdresser, beautician, auto repairer etc. for a

prize for our fair please email EdithvalePrimaryFete@gmail.com We have a donation request letter ready to go for you to use and a sponsorship pack as well if needed.

STALL COORDINATORS

We are still looking for Stall Coordinators for stalls. This would involve assisting with the coordination of any equipment or supplies for the stall, decoration, volunteer coordination and a brief report at the end of the event for our records.

EQUIPMENT

Equipment can be a very costly outlay for any event and anything that we can borrow or hire at a reduced rate will help make a fair a greater success. If you have anything you think we may be able to use at our event please email EdithvalePrimaryFete@gmail.com

In particular, we are looking for our stage for the event. In the past we have used a flat bed truck for the stage so if you can help out with a suitable truck or a stage please contact us ASAP.

We will also require cool rooms, tables for stalls, stall tents and lots of other equipment so please let us know if you can assist with anything.

MAJOR PARTNER

We are very excited to announce that we have a major partner for our fair and would like to thank Peninsula Sport Medicine Group including – Edithvale Physiotherapy and Chelsea Heights Physiotherapy, as well as Jack Dix (Taj – Prep B) for their generous support for our event.

A bit about our major partner:

Peninsula Sports Medicine strives to:

- Provide best practice, sports medicine and allied health expertise to our valued patients.
- Treat all patients with the level of care, dignity and respect that they expect, adhering to our various professions' governing codes of conduct and ethics.
- Meet and exceed our patients' expectations by providing a dedicated, experienced and multidisciplinary approach to injury management, advice and prevention.
- Keep abreast of the latest scientific research in the areas of sports injury management and, in turn, make these services available to these patients for optimum injury management.
- Be pro-active in providing wellness services to the non-injured client such as Pilates, bike setup, exercise groups etc., to improve quality of life and/or athletic performance.

- Act as a resource service for the wider community by providing speeches, seminars, information sessions etc., upon request.
- They offer a wide range of services including; Physiotherapy, Pilates, Massage/Myotherapy, Hydrotherapy, Osteopathy, Rehabilitation, Podiatry, Dietician, Personal Training and lots more.
- If you'd like to know more about Peninsula Sport Medicine Group go to www.psmgroup.com.au
