FORTNIGHTLY NEWSLETTER

Term 1—Week 2

10 February 2017

Working Together, Aspiring Higher, Connecting with our Community & Doing the Right Thing

PRINCIPAL'S REPORT

Mr James Whitla

“All kids are gifted, some just open their packages earlier than others” - Michael Carr

Welcome to the first newsletter of the year. It is great being back at school after a relaxing holiday period and discovering all the wonderful experiences that our students had in that time. Last Friday was terrific fun having a coffee and a chat with so many mums and dads and every Friday we hope to see as many people as possible having a chat over a cuppa in the yard before school.

Our Foundation (Prep) students have commenced their learning journeys with us and have settled in to the routines of school life really well. Commentary on my bald head, questions about being the boss, **High 5s on the way past and this from one student “I did a lap of the oval and my heart is still beeping”** have all brought a smile to my face in the last week or two!

For our new Foundation families I encourage you to visit the DET page at <http://www.education.vic.gov.au/school/parents/primary/Pages/p4p.aspx> which provide tips and information on a broad range of topics.

Information from each Year level will be going home shortly that outlines some of the processes and **learning that our students will be doing in Term 1. Please take a read and seek out your child's teacher** if there are any questions you have over the content. Our dedicated staff are keen to help and support all of our students and working in partnership with you, we are confident that 2017 can be a great year for everyone at Edithvale Primary School.

Before signing off this week I ask you to ponder the question below and something that prompted my thinking about the things we can all do to help us be successful in our fields of endeavour that I hope you enjoy.

If you were asked to list three things that went well for you during the day, what would you include?

10 things **that require zero talent**

@Secrets2Success | @AgentSteven

| 1. Being on time | 6. Attitude |

SCHOOL COUNCIL PRESIDENT'S REPORT Mr Steve Smith

Welcome back to what will be a great year at Edithvale Primary School.

The EPS School Council meets once a month to discuss various aspects of the school, including fundraising, buildings & grounds, finance and education. We also have several sub-committees that focus on each of those areas in greater detail and report back to the Council.

Our focus right now is our Twilight Fair which is only five weeks away. The date of the Twilight Fair is Friday 17 March from 3:30 pm - 8:00 pm.

We are currently looking for parents, grandparents, aunts and uncles willing to volunteer their time to assist with the Twilight Fair. These events are a lot of fun and a great opportunity to get to know others in the school community. Thank you to all the volunteers who have already contacted the Fair Committee and offered their time.

The Fair Committee is excited to announce that the **'Unlimited Ride Wristbands' for the Twilight Fair** are available now and can be purchased for \$30 each on Qkr! These wristbands can only be purchased leading up to the event and they really are the best value for your money. No wristbands will be sold on the day of the event but ride tickets can be purchased; please note that the number of tickets required per ride varies.

To keep up to date on the Twilight Fair, or to learn more about the event, please visit our school website (www.edithvaleps.vic.edu.au/Fair) or the Twilight Fair Facebook page (www.facebook.com/EPSfair).

Our Buildings and Grounds sub-committee will reveal a master school plan to the school community next week. This is a vision of how we can transform areas around the school into learning spaces and we are very excited to be able to share this with you.

If you are interested in being involved in any of the sub-committees please come and see me or send a note to the office and I will get back to you.

Our next School Council meeting is on Tuesday 21 February. Our AGM is scheduled for Tuesday 21 March.

SCHOOL FEES/CHARGES/QKR/TIOBIZ Sandie Wishart—Business Manager

A huge thank you to the many families who have paid their 2017 School Fees/Charges so quickly. These have been allocated to family accounts now, along with any small credits/refunds that remained on your accounts from 2016. These were allocated to compulsory/optional charges only, not voluntary contributions. Note that voluntary contributions will not be shown on your family accounts, until they have been paid.

A family statement will be sent home once all transactions have been processed. You can make your payments any time, using the QKR app on your smart phone or device or by BPay (*the BPay codes are included on your family statement*).

Please also be reminded that you need to update **your child's year level and class on QKR**, and you will also need to deselect the year level your child was previously attached to in Tiqbiz, and subscribe to the correct year levels for this year. This can be done by clicking on the three small lines at the top right hand side of your screen, when in Tiqbiz. If you need help with either QKR or Tiqbiz, please feel free to pop into the office and we will be happy to help.

LATE ARRIVALS/EARLY LEAVERS

A reminder to all parents/guardians that if your child is late for school, or you are picking them up early, you are required to sign in or out at the office. Please do not go straight to the classroom. When you have signed in/out, you will be given a pass to take to the teacher. If your child comes in on their own, please direct them to the office first for a pass. Thank you for your help with this procedure.

EMERGENCY DRILL

In the coming weeks, we will be conducting an EMERGENCY LOCK DOWN DRILL for every class in our school. Emergency procedure drills will be held randomly throughout the year and this practice is designed to support our students to become accustomed to moving in a safe, calm and orderly fashion to designated safety points throughout the school.

Staff will explain the expectations and requirements of our students step by step and expose them to the sounds of the alarm and loud speakers. This familiarisation will help prepare our students for a full scale evacuation FIRE DRILL that we will conduct later in Term 1.

All parents on the school premises at the time of the lock down will be asked to join in this emergency procedure too, which will only take 5-10 minutes.

ARTROOM NEWS

Jenny Lang

A big thank you to Ashley Howard for the enormous job of spray painting the brick wall at the French Avenue entrance. This was the **background for our new "Edithvale Primary School" sign which our year 6 students designed and painted last year.** Our fantastic handyman, Max, meticulously measured and placed each wooden piece on the wall.

SCHOOL CROSSING SUPERVISORS

Edithvale Primary School is fortunate to have two school crossing supervisors to help our children safely cross Edithvale Road and Fraser Avenue. On Edithvale Road, Norm supervises the Edithvale Road pedestrian light crossing. On Fraser Avenue, Margaret supervises the school crossing near Haig Avenue.

Both Margaret and Norm would like to thank all the students and parents who gave such thoughtful gifts at the end of the school year last year. Thank you so much.

CANTEEN REPORT

Mrs Diane Cameron

Canteen is back for 2017 and as with the start of every year there is a lot of organising to do. Restock the shelves, re-stock the fridge, re-stock the freezers and the most important re-stock item is VOLUNTEERS.

At the end of last year the canteen had two long term volunteers leave Edithvale PS, as their youngest child has started high school. So this week a volunteer help sheet has gone out to all families so that I can re-stock my volunteer list. Many thanks to those that have returned this year and by now you should have received your roster. If not please, check the bag then contact me at the school.

All lunch order items are in stock and all window sale items will be available mid next week. Please

remember to change your child's year and class on Qkr so their lunch orders are delivered to the correct class.

New this year will be 'Special Lunch Days' once a month. The canteen will be running Sushi Days on the last Tuesday each month (except for April,

September & December). In September the canteen will run a Hot Dog Day on the last day of term. These days will be available on Qkr only. Those needing an order form will need to collect one from the office or from the Canteen (cash only).

Also sent out last week was the new Canteen **menu. This is also in this week's newsletter and is on Tiqbiz.**

Looking forward to catching up with you all at the canteen.

EDI'S MATHS CORNER

At Edithvale we are passionate about the learning and teaching of Maths and continue to plan challenging and creative tasks in order to get our students excited about learning in Maths.

Our Maths program is focused on a set of teaching sequences that students work through developmentally to ensure they have a solid understanding of concepts. It is essential for students to build a strong foundation in order to avoid gaps in their learning later on in their school life. Throughout the school, Maths is taught to a particular structure which includes a number fluency activity (for example: Finger Maths), launch (hooking the students in, telling them what they are learning), discovery (the activity) and a summary (reflection). All teachers use specific Maths language appropriate to their level that enhances the content (for example, using the **word 'add' instead of plus, multiplication facts** instead of times tables).

You can keep up to date with the Maths being **taught in your child's classroom by reading the** year level newsletters each term. To help with Maths learning at home we have included a link to suggestions of maths related apps you might like to try at home.

Scan the below QR code using a QR reader on your IPAD or smart phone to link you to the website.
