

EPS TWILIGHT FAIR NEWSLETTER 9TH FEBRUARY 2015

Welcome back to school!! Our big event is just over 5 weeks away and we are in full swing with getting things organised. There are lots of opportunities to get involved and support our school event so please take some time to read through the newsletter to see what's going on and how you might be able to help out.

CLASS DONATIONS

A HUGE thanks to all the families and teachers who put so much effort into the collections for our fair last year. All of these donations are greatly appreciated and will make a big difference to the success of our event. For those that may be new to our school or not familiar with our Class donations, here's how it works:

Each week, we will be collecting a different item for use at our fair. We kindly ask that our students bring in the relevant items according to the timetable attached. There will be a fair donations box in each classroom to put them in (except any wine donations, which will need to be delivered directly to the office by parents only).

Donations Class Donations Coordinators will count donations and we'll award a weekly 'class award' to the class that donates the most items for that week. Each child from this class will receive a surprise 'treat' from the canteen. The weekly winners will be announced at assembly each Friday.

Let your friends and family know what we are collecting each week so we can bump up the total we might raise for our school!

THIS WEEK'S CLASS DONATION ITEM: LUCKY JARS CLASS DONATIONS CALENDAR

NB: Please make sure all items have a use-by date of at least April 2015 or later.

LUCKY JARS

We are now collecting for our lucky jar stall. Jars can be any size, large or small, with lids. Once you have your jar organised, it's time to fill it. Lucky Jars can contain anything as long as it's clean and new. There are boxes in your classroom to put them in. Stuck for ideas? Contents can be little toys or figurines, beads, clean hair ties, mighty beans, Smurfs, small toy cars, swap cards, badges, marbles, Lego, novelty erasers, high bounce balls, marbles, pencils, etc. NB: No old hair ties or dirty toys and nothing dangerous (eg. too sharp). No chocolate or unwrapped lollies.

CLASSROOM HAMPERS

For our silent auction and lucky wheel, we are requesting that each class put together a themed hamper for our fair. Classes can choose their own theme with their teacher and some suggestions and further information will be provided to each class this week. Your children will notify you of their hamper theme soon. All items for hampers will need to be sent to school no later than Friday 6th March.

STALL COORDINATORS

This week each class will be allocated stalls to coordinate and run. We will be looking for parents to take on the role of Stall Coordinator for each stall. If you prefer to pair up with a friend and share the load, that's fine too. The role will involve assisting with the coordination of any equipment or supplies for the stall, decoration, volunteer coordination and a brief report at the end of the event for our records. If you can help with coordinating a stall please email Nicole at EdithValePrimaryFete@gmail.com

EQUIPMENT

Equipment can be a very costly outlay for any event and anything that we can borrow for free (or hire at a reduced rate) will help make our fair a greater success. In particular, we are looking for our stage for the event. In the past we have used a flat bed truck for the stage so if you have a contact for a suitable truck or staging equipment please contact us ASAP.

Other items we will need for our fair are:

Please let us know if you can assist with any of these items.
