Vision and Values

VISION

We provide a supportive, engaging, active, and stimulating learning environment that encourages all students to become critical thinkers, problem solvers and achieve their personal best. We prepare our students for lifelong learning in a climate that embraces fairness, trust and mutual respect. We are committed to working closely with all families and the wider community to provide opportunities for every child to reach their full potential.

VALUES

We believe that positive respect for others will energise us to implement our core values of:

CONNECTING WITH OUR COMMUNITY

- Being sensitive to our location and proactive in protecting our environment
- Communicating and interacting with individuals, technologies, different cultural groups and with a global audience
- Actively seeking opportunities to work with outside agencies and individuals
- Actively promoting our school in our local area

WORKING TOGETHER

- Sportsmanship, encouragement, sharing, cooperation and teamwork.
- Leading and participating in group activities and school programs.
- Building positive relationships with our peers

ASPIRING HIGHER

- Recognising and encouraging excellence
- Challenging and achieving potential
- Fostering imagination, humour, creativity, design, risk-taking, questioning ideas and planning for the future
- Continually improving through learning, reflecting and adapting to different situations
- Having high expectations of ourselves and others

DOING THE RIGHT THING

- Learning and respecting others' rights to learn and feel safe
- Behaving and working ethically and treating others as you like to be treated
- Being supportive, respectful, trustworthy, honest, fair and friendly
- Thinking critically, showing good judgement, participating in decision making and listening to others
- Always trying to do your best
