

# WEEK 7 LEARNING OUTLINE

25TH-29TH MAY 2020- YEAR 3

To our wonderful Year 3 families! Last week on Wednesday officially marked the half-way point of Term 2. We thank you for your amazing efforts navigating remote learning for the past 6 weeks and we look forward to being back in the classroom very soon! The news of returning to school grounds soon seemed to have rejuvenated and re-energised all of us and we can't wait until we can see all of the students' smiling faces shortly! They continue to blow us away with their resilience and work ethic during this time, well done to all of you!

## Specialist classes:

As our Specialist teachers are back working on-site with our F- 2 students, there will be no specialist tasks set this week or next. We very much encourage our students to keep being physically active, expressing themselves through visual arts and practising their French language skills. If you would like some ideas to keep practising the skills learned in the specialist subjects please let us know and we will reach out to our specialist teachers to arrange this.

**Submitting daily learning tasks-**

Daily tasks and activities are to be **submitted by 8pm** on the day they were received. If for some reason this is not possible, your child should make contact with their classroom teacher.

**Supplementary tasks -**

If your child has completed their assigned activities and is still eager to do some school work in their own time they may like to explore;

- Each student should aim for 15 minutes of reading each day minimum
- Sunshine Online, Storyline Online and Manga High
