

Week 8 Learning Outline

1st June-5th June 2020- Year 3

Wow, can you believe that we are coming into our final week of remote learning!! The energy and excitement has certainly been noticeable during the week and we cannot praise the efforts and commitment of each of our students enough. We cannot wait to see each of our students enter the school grounds with a big smile on their face. Just a reminder that there will be no Webex meetings on Friday as teachers will be preparing for their return to school.

The activities this week aim to help students feel prepared for their first week back at school. They will be reflecting on their time in remote learning as well as preparing their minds and even their school bag for the week to come. We understand that there may be mixed emotions about returning to school which is very normal. We hope to make our first week back a positive experience and we will focus on Wellbeing and building up student's stamina for learning in the classroom environment again. We cannot wait to see all of your faces soon! Please see below for this week's learning opportunities:

DAY	ACTIVITY			
	1	2	3	4
MON	Welcome video & Emoji check in.	Writing: Diary entry	Reading: Storyline Online	Wellbeing: Circle time

FRI	Welcome video & Emoji check in.	Reading: Back to school activity	STEM: Hands on activity	Wellbeing: Directed drawing
WEBEX	This week your child will be able to access 2 WEBEX video meetings daily with their teacher and class. The times of these meetings are at 9am and 1pm daily. Details of the meetings will be posted each morning below the morning welcome video. Specialist teachers will post to Seesaw each week to inform students of the days and times which they may WEBEX their specialist teacher.			
CONTACT	Year 3 teachers are available to chat online between 10.30 and 1.30 daily. :) You can contact your child's teacher through the school email account: edithvale.ps@edumail.vic.gov.au by putting your child's class and name of teacher in the subject title.			

Specialist classes - As our Specialist teachers are back working on-site with our F- 2 students, there will be no specialist tasks set this week or next. We very much encourage our students to keep being physically active, expressing themselves through visual arts and practising their French language skills. If you would like some ideas to keep practising the skills learned in the specialist subjects please let us know and we will reach out to our specialist teachers to arrange this.

Submitting daily learning tasks-

Daily tasks and activities are to be **submitted by 8pm** on the day they were received. If for some reason this is not possible, your child should make contact with their classroom teacher.

Supplementary tasks -

If your child has completed their assigned activities and is still eager to do some school work in their own time they may like to explore;

- Each student should aim for 15 minutes of reading each day minimum
- Sunshine Online, Storyline Online and Manga High

Best of luck!

Scott Chalwell and Ashlee McCarthy ☺☺
