

Dear Parents/Carers,

We are now past the halfway mark! Thank you all so much for your amazing support during this very challenging time. We are so appreciative of everything you are doing to encourage and guide your child to succeed with remote learning. It was fantastic to see so many families enjoying the Family Fun games last week and we hope you continue to use them over the coming weeks :)

Today the students were assigned a task to complete the Attitudes to School Survey. If they didn't get a chance to complete this today, they have two weeks to finish it. We encourage all students to do this. We really value our students thoughts and opinions and it gives us valuable information going forward.

Term 3 Progress Reports go live on Friday 28th August. We hope you enjoy reading them. :)
