

Dear Parents and Carers,

The Foundation teachers would once again like to begin by congratulating our little learners for yet another fabulous week. We have been so impressed with the attendance and keen interaction displayed by the students each day. We had many 'magic moments' last week, from Bubble Stem tasks, CVC reading practise, writing which included self-editing, number line tasks, bridging to ten strategies and not to forget a few excited birthday faces. We would like to extend a Happy Father's Day wish to all the dads out there, we hope you have a wonderful day on Sunday with your families. Thanks again for the time you have invested in helping to create such a wonderful learning experience for your children.

**Assessment Day**

As you are aware, Monday is the Foundation Assessment Day. This will be time for us to look over the assessment tasks that have taken place over the past few weeks. We will be using the data collected to assist us with the planning of Term 4. Should your child's teacher need to check in with anyone, you will be notified. Just a reminder we will be having our usual 9:15am WebEx morning check in, but there will be no further meetings for that day. Please note that tasks will still be acknowledged during the day.

**PBIL News**

Thank you again to our parents who have joined in with our meetings and just a gentle reminder that If you would like to share the details of your job with your child's grade, please don't hesitate to have a chat with your child's teacher. You will be more than welcome to join in on a morning Webex meeting to share your knowledge with us.

**Cosentino the Magician - Friday September 11**

Lights, camera, action, MAGIC! We'll be having Cosentino the magician next Friday the 11th of September performing remotely for the kids - how cool? The kids will need the following items to participate fully in the show next Friday:

- 1 x Pack of Playing Cards
- 1 x small note pad
- 1 x paper clip
- 1 x thin rubber band
- 1 x 20 cent coin
- 1 x cardboard/paper coffee cup
- 1 x scissors
- 1 x pen or sharpie
- 1 x 1.5L Water Bottle
- 1 x Mobile Phone
- Paper bag
- Fruit item (either orange, banana, apple etc)

\*The tasks in **bold** are the explicit learning focus lessons for the Webex meeting that day.

**GEM TV**, a fantastic broadcast by The Resilience Project, has finished its first season. You can access still access all of the episode from seasons one at: [Season 1 - Home Page — TRP@HOME](#). Season two will start on September 7th.

**Specialist classes:**

**PE:** Students will participate in gymnastic activities to develop their balancing and travelling skills.

**Learning Intention:** I will complete different gymnastic activities focusing on balancing and travelling.

**Success Criteria:** I can make and hold different shapes with my body.

**Art:** Make a humanoid robot out of household items.

**Learning Intention:** I am learning about shape and proportion.

**Success Criteria:** I can arrange household items to make a human shaped robot, and maybe draw it.

**French:** LES FRUITS CHANSON/SONG - SINGING ACTIVITY

**Learning Intention:** I can watch and enjoy 'J'aime les fruits - alain le lait (I like fruits)'.  
**Success Criteria:** I can learn some new fruits and maybe memorize part of the song.

Please reach out via email or Seesaw to your child's teacher if you have any further questions. We look forward to seeing all students in our next WebEx meeting on Monday September 7th at 9:15am.

Kind Regards,

Jess McGeachin, Sienna von Menge, Bec Laver and Rachael Clements
