

Level 5/6 - Learning Grid 15th Feb

There are 30 points available in this grid, and your goal is to collect 20 points over the course of 2 days. You should try and complete the maths and Literacy tasks first :)

There are PE, French and Art activities available in a separate grid however Science is included in this grid

4 points	4 points	4 points
<p>Reading/ Intercultural:</p> <p>Find out about Easter and how different cultures might celebrate at this time of year.</p>	<p>Maths: Problem Solving</p> <p>Ryan is playing a game at a carnival. He must pick three numbers out of a bag.</p> <p>The numbers in the bag are: 21, 8, 16, 32, 65 and 14.</p> <p>Ryan will win a prize if the three numbers add up to a number less than 50; if the three numbers add up to a multiple of five or if the three numbers add up to a number greater than 80.</p> <p>List some winning combinations of numbers.</p>	<p>Writing:</p> <p>Watch Carrot Crazy on YouTube https://www.youtube.com/watch?v=7V7MOk0FZrQ</p> <p>Plot the storyline on the Narrative Story Graph</p> 
3 points	3 points	3 points

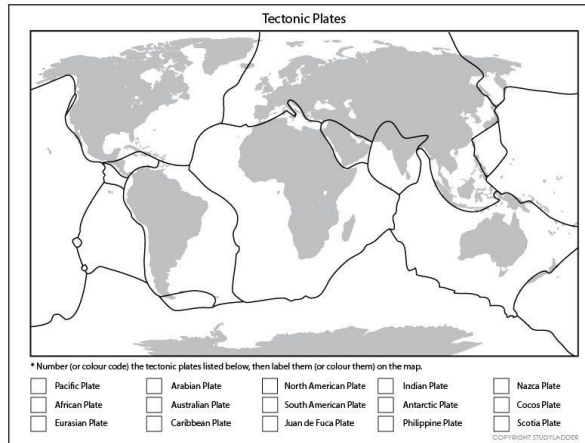

Ethical capability:

Explore how your home recycles/composts, discuss with your family ways to improve on your homes/families recycling habits. Do an audit of your bins and create a compost bin for your household to become better recyclers. .

2 points

Science:

Investigate and research a map of the world, labelling all the tectonic plates. What else can you label? Continents, countries, oceans/seas.

2 points

Reading: Comprehension

Using your good-fit novel to create a chatterbox that explores a problem within the story. Under each flap, answer the question on the outside of the flap. In the middle, write about whether you thought the problem was solved in a satisfactory way. Why did you think it was a good resolution or what would you change about it? Also include an alternate solution to the problem

You can find some instructions on how to make a chatterbox here:

<https://www.cleverpatch.com.au/ideas/by-product-type/paper-and-card/chatterbox>
