

Foundation Weekly Overview - Week 8

Hello Foundation families,

Firstly a huge congratulations to our students and their families for logging on and completing the tasks last week. We would like to acknowledge the hard work parents, and in some cases, siblings, are putting into the students to ensure their learning is a positive experience. We certainly had some heartwarming and many magical moments last week with the incredible work that the students were completing. It was wonderful to see their smiling faces in the videos and all the hard work and effort they put into building bubble wands, completing 'My Numeracy' tasks and attempting to challenge themselves with spicy tasks! It was such a delight to see the students continue to practise graphemes and phonemes, and the interaction between family members with the number ladder game. We hope you're enjoying the online learning and we can't wait to see what you achieve this week! Please don't hesitate to contact your teacher should any concerns arise. Thanks again and have a wonderful week.

In preparation for reports, we will be looking to assess some students via Webex conferencing. Not all students will be required to stay online for assessment as some students have already been assessed onsite in the classroom prior to remote learning. You may be contacted by your child's teacher for some one on one assessment.

Kindest regards,

Your Foundation team - Jess, Sienna, Belinda, Rach and Kerrie

Here is an outline of what this week will look like

Monday	Tuesday	Wednesday	Thursday	Friday
9am - Webex Class Meeting	9am - Webex Class Meeting	9am - Webex Class Meeting	9am - Webex Class Meeting	Return to school (yay!)

Materials you will need this week:

Writing	Paper (with lines if possible), pencil
PMP	Household objects to throw and catch e.g. socks, a tennis ball
Maths	Pencils, pens, paper, dice, Essential Assessment logins
STEM	Suggested materials: newspaper

Morning Messages

Each morning your child will receive a morning message from their classroom teacher welcoming them to the new school day. These messages will provide a brief outline of what the day entails and also include a webex link for your child to access the class meeting. These webex meetings will commence at **9am** each morning and are a fantastic way for your child to stay connected with their teacher and peers. The meeting will include important reminders and information for the school day and be an opportunity to check in and ask any questions your child or yourself may have.

Contacting your teacher

Your child's classroom teacher is available every day to answer any questions you may have about the daily tasks. We will encourage our students to check-in with their teacher during webex meetings or as often as they need. If you have any questions, we will be available to answer them each weekday via the Seesaw platform or on webex between 10:15am-11am.

Specialist classes

Below is a specialist timetable for your child. These lessons will be run via webex and provide a fantastic opportunity for your child to stay connected with their specialist teachers.

SPECIALIST TIMETABLE

Monday	Tuesday	Wednesday	Thursday	Friday
