Morning Messages

Daily messages for each classroom teacher will continue to be posted at the start of the day with all Webex class meetings occurring at 9am. Students have been so enthusiastic thoroughly enjoying seeing each other and practicing their phonics skills too.

Contacting your teacher

Each teacher will continue to be available via their Webex room from 10.00am-11.00am. Thanks so much to those students who have dropped in and it has been terrific to receive and respond to queries via Seesaw also.

READ

For those students in the READ program, Mr Wood will again run additional sessions between 11.30am-1.00pm. He will make contact with you to confirm times.
