

# WEEKLY OUTLINE/ WELCOME BACK AGAIN TO REMOTE LEARNING

WEEK 2- TERM 3 - YEAR 4

JULY 19TH-20TH, 2021

Here we go again in Year 4! We know we can do this and we can do this well. Last remote learning, the students were super involved and got heaps of work done. We are looking forward to seeing what the students produce over the next couple of days.

Our structure will be the same as the last remote learning cycle, with just a couple of changes to the timings. We will be having our morning check in on Webex at **8.45am** each morning and we will upload the link to our personal rooms on Seesaw.

The morning Webex session will include the following:

- A wellbeing check in
- A quick Phonics based lesson
- Explanation of the tasks set for the day and expectations from the teachers
- A reminder for students about what time teachers will be available that day for 'Webex Question Time'.

Your child's teacher will be available on Webex to clarify expectations for tasks, answer questions or provide feedback on completed work between **10.45am - 11.45am**. Log into your teachers personal room during this hour and your teacher will let you into their meeting space. This time is a drop in, drop out type arrangement. Only come if you need and leave when you have the answers you need.

## Our Schedule
