

# Foundation Weekly Overview

Hello Foundation families,

Welcome to remote learning 3.0! We hope that the following information guides and supports you over the next two days. If last remote learning was anything to go by, we know that our little learners will thrive both online and upon returning to the classroom. We will be assigning activities that align with the students' skill level and Victorian Curriculum. Please don't feel obligated to complete all tasks and reach out to your students' teacher if you would like any extension or support tasks. We hope that these 'Daily Outlines' help you to plan for the next couple of days and to ease any concerns you may have. We are looking forward to working together through this next phase of our learning journey and can't wait to be back on site with you on Wednesday!

## Daily reading

To continue the routine of daily reading, students can access the EPIC reading platform or the decodable readers website.

The links for these are:

Decodable readers: <https://portal.flyleafpublishing.com/learners-resources/>

EPIC: <https://www.getepic.com/sign-in>

To access EPIC readers, please keep an eye out for an announcement from your child's teacher with the class code.

Kindest regards,

Your Foundation team - Jess, Sienna, Belinda, Rach and Kerrie

### **Morning Messages**

Each morning your child will receive a morning message from their classroom teacher welcoming them to the new school day. These messages will provide a brief outline of what the day entails and also include a webex link for your child to access the class meeting. These webex meetings will commence at **9am** each morning and are a fantastic way for your child to stay connected with their teacher and peers. The meeting will include important reminders and information for the school day and be an opportunity to check in and ask any questions your child or yourself may have.

### **Contacting your teacher**

Your child's classroom teacher is available every day to answer any questions you may have about the daily tasks. We will encourage our students to check-in with their teacher during webex meetings or as often as they need. If you have any questions, we will be available to answer them each weekday via the Seesaw platform or on webex between 10:30-11:15am.

### **Specialist classes**

Below is a specialist timetable for your child. These lessons will be run via webex and provide a fantastic opportunity for your child to stay connected with their specialist teachers. Your child's classroom teacher will provide the appropriate webex link to access the lesson each day in the daily morning message.
