

# Foundation Weekly Overview

Hello Foundation families,

Congratulations to all students and their families for making it through another week of Remote and Flexible learning. We know it's not easy, but the work and tasks that have been submitted continue to be of a very high standard. Some highlights from the week include the level of engagement and interaction we've seen online through our Webex meetings, puppet shows, My numeracy goals have been achieved and special moments and passions have been captured and shared with us!

Below is the outline for next week. We hope that you know that you can reach out to us for support, extra tasks, less tasks or a friendly chat.

## Daily reading

To continue the routine of daily reading, students can access the EPIC reading platform or the decodable readers website.

The links for these are:

Decodable readers: <https://portal.flyleafpublishing.com/learners-resources/>

EPIC: <https://www.getepic.com/sign-in>

SPELD: <https://www.speldsa.org.au/SPELD-SA-Phonic-Readers-New-Series>

Little Learners Love Literacy have announced that their apps are available and FREE up until the end of September. Their apps are another fabulous resource and platform to access decodable readers while learning from home.

To find the app search "Little Learners Love Literacy" in the App Store and download from there! The "Wiz Kids" and "Pip and Tim" apps are the ones to download.

Yours in smiling,

Jess, Sienna, Belinda, Rach and Kerrie

Here is an outline of what this week will look like:

<b>Monday</b>	<b>Tuesday</b>	<b>Wednesday</b>	<b>Thursday</b>	<b>IF LOCKDOWN/REMOTE LEARNING EXTENDS</b>
				<b>Friday</b>

### Morning Messages

Each morning your child will receive a morning message from their classroom teacher welcoming them to the new school day. These messages will provide a brief outline of what the day entails and also include a webex link for your child to access the class meeting. These webex meetings will commence at **9am** each morning and are a fantastic way for your child to stay connected with their teacher and peers. The meeting will include important reminders and information for the school day and be an opportunity to check in and ask any questions your child or yourself may have.

### Contacting your teacher

Your child's classroom teacher is available every day to answer any questions you may have about the daily tasks. We will encourage our students to check-in with their teacher during webex meetings or as often as they need. If you have any questions, we will be available to answer them each weekday via the Seesaw platform or on webex between 10:30-11:15am.

### Specialist classes

Below is a specialist timetable for your child. These lessons will be run via webex and provide a fantastic opportunity for your child to stay connected with their specialist teachers. Your child's classroom teacher will provide the appropriate webex link to access the lesson each day in the daily morning message.

## SPECIALIST TIMETABLE

Monday	Tuesday	Wednesday	Thursday	Friday
<i>French lesson with Madame Snow via webex</i>	<i>Physical Education with Miss Whitnell via webex</i>	<i>Art lesson with Mrs Harden via webex</i>	<i>Science lesson with Mrs Keogh via webex</i>
