

# Foundation Weekly Overview

Hello Foundation families,

Well done on another fantastic week of remote and flexible learning. Some highlights included fantastic fairy tale retells and an opportunity for your maths group teachers to comment on MAGNIFICENT Maths group work. Once again we would like to thank all the parents, grandparents and caregivers for your continued support. Our amazing new oval is now open and ready for the students when they return to school. It has been lovely to see the students attend the 9am and 10.30am meetings and has proven to be a great learning opportunity for them. We continue to try to make the 10.30 meeting as useful and interactive as possible by incorporating learning to suit their learning needs. Please refer to your classroom teacher's Monday morning announcement as there will be a slight tweak in meeting times for that day as the Foundation staff are required to attend a school based review meeting. Specialist classes on this day will also be later at 12:30pm. We hope you can still attend these sessions.

Below is the outline for next week. We hope that you know that you can reach out to us for support, extra tasks, less tasks or a friendly chat.

## Daily reading

To continue the routine of daily reading, students can access the EPIC reading platform or the decodable readers website.

The links for these are:

Decodable readers: <https://portal.flyleafpublishing.com/learners-resources/>

EPIC: <https://www.getepic.com/sign-in>

SPELD: <https://www.spelsa.org.au/SPELD-SA-Phonic-Readers-New-Series>

## TUESDAY MATHS GROUP MEETINGS

This week we will be starting Maths Group Webex meetings. This webex meeting will be in place of our regular 10:30am follow up meeting that day. Your child will be assigned a math task Tuesday morning that will include who their Math group teacher is and a link to their webex meeting room. During this session, your child's Math Group teacher will be running an explicit lesson on a mathematical concept, providing feedback on the set task and connecting with your child.

Yours in smiling,

Jess, Sienna, Belinda, Rach and Kerrie

Here is an outline of what this week will look like:

Monday	Tuesday	Wednesday	Thursday	Friday

### Morning Messages

Each morning your child will receive a morning message from their classroom teacher welcoming them to the new school day. These messages will provide a brief outline of what the day entails and also include a webex link for your child to access the class meeting. These webex meetings will commence at **9am** each morning and are a fantastic way for your child to stay connected with their teacher and peers. The meeting will include important reminders and information for the school day and be an opportunity to check in and ask any questions your child or yourself may have.

### Contacting your teacher

Your child's classroom teacher is available every day to answer any questions you may have about the daily tasks. We will encourage our students to check-in with their teacher during webex meetings or as often as they need. If you have any questions, we will be available to answer them each weekday via the Seesaw platform or on webex between 10:30-11:15am.

### Specialist classes

Below is a specialist timetable for your child. These lessons will be run via webex and provide a fantastic opportunity for your child to stay connected with their specialist teachers. Your child's classroom teacher will provide the appropriate webex link to access the lesson each day in the daily morning message.

## SPECIALIST TIMETABLE

Monday	Tuesday	Wednesday	Thursday	Friday
<i>French lesson with Madame Snow via webex</i>	<i>Physical Education with Miss Whitnell via webex</i>	<i>Art lesson with Mrs Harden via webex</i>	<i>Science lesson with Mrs Keogh via webex</i>
