<b>CONTACT</b>	You can contact your child's teacher through the school email account: <a href="mailto:edithvale.ps@edumail.vic.gov.au">edithvale.ps@edumail.vic.gov.au</a> by putting your child's class and name of teacher in the subject title. Or alternatively we can be contacted through Seesaw.							

**Additional resources-** Epic Books, Essential Assessment (My Numeracy, Sunset Maths), Reading (15 minutes a day).

**Specialist classes** - Each week your child's specialist teachers will set learning tasks relating to Physical Education, Science, Visual Arts and French. Please see above for specialist WebEx times.

**READ Program-** If your child is part of the READ program you will be contacted by Troy or Sarah to touch base and provide 2 sessions times for your child to attend next week. Below are their Webex meeting links.

### **SPECIAL EVENT: FRIDAY SEPTEMBER 3RD**

*This week we have another whole school optional challenge which encourages you to create juggling balls. Why....might you ask?*

*Juggling engages your problem-solving skills. You can't just throw all the balls up in the air and hope everything comes together! This is why juggling is excellent for helping you master the art of concentration.*

*Juggling is challenging and can be difficult to master at first, and like reading, playing music or throwing a ball, it becomes easier once you've learned the basics and practiced it.*

*To help us explore how to juggle we have engaged with circus skills extraordinaire Hayden O'Brien who will be coming to us live via Zoom on Friday September 3rd at 10:00am and 10:45am. At these sessions he will show us some of his amazing skills and give everyone a lesson on how to juggle.*

*We hope your child is able to participate and perhaps you too! We think it will be a lot of fun. There will be two sessions running, one tailored to a Foundation to Year 2 audience at 10:00am to 10:30am and another for the Year 3 to Year 6 crew from 10:45am to 11:15am.*

*There will be more information to look out for on Seesaw early next week and we hope that you will enjoy the juggling session and the challenge of learning this skill.*
