

# Foundation Week 10 Overview

Well done for making it to the last week of term. It has been a very interesting term and we are so proud of all of the students for the amazing work they have completed. Thank you also to all the parents and carers for your continued commitment in assisting the students with their education. We couldn't have gotten through the term without you and we hope you will have a chance to relax, rejuvenate and do something for yourselves over the school holidays!

## EDI

We hope everyone enjoyed our Device Free Friday and took the opportunity to recharge and enjoy the sunshine! It was incredible to see so many people at the Edi Explorers Rally, walking, riding and scooting through Edithvale to find clues for the crossword!

## Daily reading

To continue the routine of daily reading, students can access the EPIC reading platform or the decodable readers website.

The links for these are:

Decodable readers: <https://portal.flyleafpublishing.com/learners-resources/>

EPIC: <https://www.getepic.com/sign-in>

SPELD: <https://www.spelsa.org.au/SPELD-SA-Phonic-Readers-New-Series>

Below is the outline for next week. We will be revising skills learnt this term and asking students to set some learning goals for next term. We hope that you know that you can reach out to us for support, extra tasks, less tasks or a friendly chat.

Yours in smiling,

Jess, Sienna, Belinda, Rach and Kerrie

### Morning Messages

Each morning your child will receive a morning message from their classroom teacher welcoming them to the new school day. These messages will provide a brief outline of what the day entails and also include a webex link for your child to access the class meeting. These webex meetings will commence at **9am** each morning and are a fantastic way for your child to stay connected with their teacher and peers. The meeting will include important reminders and information for the school day and be an opportunity to check in and ask any questions your child or yourself may have.

### Contacting your teacher

Your child's classroom teacher is available every day to answer any questions you may have about the daily tasks. We will encourage our students to check-in with their teacher during webex meetings or as often as they need. If you have any questions, we will be available to answer them each weekday via the Seesaw platform or on webex between 10:30-11:15am.

### **Specialist classes**

Below is a specialist timetable for your child. These lessons will be run via webex and provide a fantastic opportunity for your child to stay connected with their specialist teachers. Your child's classroom teacher will provide the appropriate webex link to access the lesson each day in the daily morning message.
