

# Foundation Week 9 Overview

Hello Foundation families,

What another week of fabulous learning we have witnessed! A big shout out to our students and families for continuing to be present and engaged in Webex meetings and set tasks throughout the week. We hope all of our Foundation Father Figures had a lovely day and were super spoilt!

We are thoroughly enjoying our Tuesday and Wednesday **Maths Group Webex Sessions**. We continue to be amazed by the skills our superstars are learning, consolidating and presenting to us in these sessions. It is wonderful to see them engage in the activities run in the meeting and provide a fantastic opportunity for us to give live feedback and answer any questions you may have. Please continue to keep an eye out for your maths task on **Tuesday and Wednesday**. These tasks will include the webex link to access the session.

The **Juggling Skills** Webex session was another fantastic whole school activity that put everyone's juggling skills to the test. We were very impressed with the homemade juggling balls we saw and the level of concentration displayed to master the technique of juggling.

Over the next few weeks, you may see some new faces join your webex sessions. FC, FD & FE are pleased to have and welcome Pre service teachers Matthew Davison (FC), Jessica Lysaght (FD) and Chloe Mahoney (FE). They will be joining class webex sessions and commenting on your child's work. We are extremely excited to work with them over the next few weeks.

## **DEVICE FREE FRIDAY**

It is time to put down our devices and reconnect with each other. On Friday the 10th, there will be **NO** webex meeting and activities assigned on Seesaw. Instead, we will be putting together an 'Edi Explorers' rally and providing some engaging activities that can be completed. Please keep a look out for a learning booklet that will be posted out and will include more information regarding the rally.

## **Daily reading**

To continue the routine of daily reading, students can access the EPIC reading platform or the decodable readers website.

The links for these are:

Decodable readers: <https://portal.flyleafpublishing.com/learners-resources/>

EPIC: <https://www.getepic.com/sign-in>

SPELD: <https://www.spelsa.org.au/SPELD-SA-Phonic-Readers-New-Series>

Below is the outline for next week. We hope that you know that you can reach out to us for support, extra tasks, less tasks or a friendly chat.

Yours in smiling,

Jess, Sienna, Belinda, Rach and Kerrie

### **Morning Messages**

Each morning your child will receive a morning message from their classroom teacher welcoming them to the new school day. These messages will provide a brief outline of what the day entails and also include a webex link for your child to access the class meeting. These webex meetings will commence at **9am** each morning and are a fantastic way for your child to stay connected with their teacher and peers. The meeting will include important reminders and information for the school day and be an opportunity to check in and ask any questions your child or yourself may have.

### **Contacting your teacher**

Your child's classroom teacher is available every day to answer any questions you may have about the daily tasks. We will encourage our students to check-in with their teacher during webex meetings or as often as they need. If you have any questions, we will be available to answer them each weekday via the Seesaw platform or on webex between 10:30-11:15am.

### **Specialist classes**

Below is a specialist timetable for your child. These lessons will be run via webex and provide a fantastic opportunity for your child to stay connected with their specialist teachers. Your child's classroom teacher will provide the appropriate webex link to access the lesson each day in the daily morning message.
