

## REMOTE LEARNING WEEKLY OUTLINE

WEEK 9- TERM 3 - YEAR 4 - SEPTEMBER 6TH -10TH 2021

Hi Year 4's,

Thanks for another great week of home learning. We've seen some amazing South American travel brochures, some brilliant maths work learning division and a lot of great procedural writing.

Our structure will be the same as last week's remote learning, with our morning check in on Webex at **8.45am (followed by a Reading lesson with our read to teacher group)** and a **10:45am** explicit teaching session followed by question time if needed. We will upload the link to the rooms you need to attend in the morning on Seesaw. Please make sure to come to the Webex meetings and lessons as this is a great opportunity to reconnect with your peers and teachers and to go through the lessons that have been set.
