

Foundation Week 2 Term 4 Overview

Hello Foundation families,

One week down, one to go! We were blown away by the level of engagement and quality of tasks completed this week - WELL DONE EVERYONE! We cannot wait to fly through week two and be back in the classroom with our FABULOUS FOUNDIES on the 18th of October.

We will be continuing our Tuesday and Wednesday **Maths Group Webex Sessions**. We were so impressed by the level of engagement in the activities and Webex sessions last week, and these sessions continue to provide a fantastic opportunity for us to give live feedback and answer any questions you may have. Please continue to keep an eye out for your maths task on **Tuesday and Wednesday**. These tasks will include the webex link to access the session.

It was fantastic to dive into our big question 'What makes an animal's habitat suitable?' in **Inquiry** and explore everyone's knowledge of animals. We loved listening to fun facts the students shared and seeing their incredible illustrations of **animals and their habitats**.

This week is our amazing **pre-service teachers'** final week with us. We have been extremely grateful having them join our Webex meetings, providing feedback on Seesaw tasks and running lessons with our students. We would like to say a **BIG** thank you for all of their incredible help and support and hope you join us in wishing them the very best for the future!

Daily reading

To continue the routine of daily reading, students can access the EPIC reading platform or the decodable readers website.

The links for these are:

Decodable readers: <https://portal.flyleafpublishing.com/learners-resources/>

EPIC: <https://www.getepic.com/sign-in>

SPELD: <https://www.spelsa.org.au/SPELD-SA-Phonic-Readers-New-Series>

Below is the outline for next week. We hope that you know that you can reach out to us for support, extra tasks, less tasks or a friendly chat.

Yours in smiling,

Jess, Sienna, Belinda, Rach and Kerrie

Morning Messages

Each morning your child will receive a morning message from their classroom teacher welcoming them to the new school day. These messages will provide a brief outline of what the day entails and also include a webex link for your child to access the class meeting. These webex meetings will commence at **9am** each morning and are a fantastic way for your child to stay connected with their teacher and peers. The meeting will include important reminders and information for the school day and be an opportunity to check in and ask any questions your child or yourself may have.

Contacting your teacher

Your child's classroom teacher is available every day to answer any questions you may have about the daily tasks. We will encourage our students to check-in with their teacher during webex meetings or as often as they need. If you have any questions, we will be available to answer them each weekday via the Seesaw platform or on webex between 10:30-11:15am.

Specialist classes

Below is a specialist timetable for your child. These lessons will be run via webex and provide a fantastic opportunity for your child to stay connected with their specialist teachers. Your child's classroom teacher will provide the appropriate webex link to access the lesson each day in the daily morning message.
