

Foundation Week 3 Term 4 Overview

WE DID IT!

We have finished our last full week of remote learning and we only have THREE more sleeps until we are back in our classroom and learning together once again. Please keep an eye out for Compass updates from the school administration team regarding entry and exit points and start and finish times. Alternatively, you can shoot us a message and we'll try and answer any questions that you may have regarding school return.

We cannot express how proud we are of each and every one of you for completing your remote and flexible learning these past 10 weeks. We've said it before, and we'll say it again - WELL DONE FOUNDATION STUDENTS!!! You are incredible and we'll never forget this rollercoaster of a year with you guys. To all the teachers at home, thank you for everything you did and continue to do to support our little learners, you are SO AMAZING! Let's finish the term strong with a few 'hybrid' weeks of learning both onsite and online, before returning to onsite learning full-time!

****Please note the change in times for Webex sessions on Thursday and Friday next week****

Maths Group Webex Sessions

As we are unable to run our differentiated Maths groups when we return to face to face teaching (due to class crossovers), we will be running our sessions in the second meeting on a **Thursday at 10.45am**. The students will continue to work through their Maths focus area in class, they just won't be going off to their regular Maths group. The students will be given a worksheet/activity to complete during this lesson. If you would like some further clarification on this, please speak to your child's teacher.

Daily reading

To continue the routine of daily reading, students can access the EPIC reading platform or the decodable readers website.

The links for these are:

Decodable readers: <https://portal.flyleafpublishing.com/learners-resources/>

EPIC: <https://www.getepic.com/sign-in>

SPELD: <https://www.spelsa.org.au/SPELD-SA-Phonic-Readers-New-Series>

Below is the outline for next week. We hope that you know that you can reach out to us for support, extra tasks, less tasks or a friendly chat.

See you all on Monday!

Your Foundation teachers -

Jess, Sienna, Belinda, Rach and Kerrie

Morning Messages

Each morning your child will receive a morning message from their classroom teacher welcoming them to the new school day. These messages will provide a brief outline of what the day entails and also include a webex link for your child to access the class meeting. **These webex meetings will commence at 9:15am on Thursday and Friday morning** and are a fantastic way for your child to stay connected with their teacher and peers. The meeting will include important reminders and information for the school day and be an opportunity to check in and ask any questions you or your child may have.

Specialist classes

Will run onsite :-)
