| | |
| CONTACT | You can contact your child's teacher through the school email account: edithvale.ps@edumail.vic.gov.au by putting your child's class and name of teacher in the subject title. |

Specialist classes - Each week your child's specialist teachers will set learning tasks relating to Physical Education , Science, Visual Arts and French. Please see above for specialist WebEx times.

Gentle reminder:

It is very important for your child to attend the 10am webex sessions. These sessions are curriculum focused, with an explicit teaching session implemented each day. Mondays and Wednesdays will now have a **Math** focus, with Tuesdays and Thursdays having a **Literacy** focus. After this session, the seesaw focus task will then be assigned for students to complete.

Please note: seesaw tasks will be assigned after the 9am morning session. During the morning meeting, your child's teacher will be outlining seesaw activities to be completed, and allow for any questions or queries to be answered. There will also be a phonics check in as well as a math or word work task to discuss.

Best of luck!
