

REMOTE LEARNING WEEKLY OUTLINE
WEEK 2- TERM 4 - YEAR 4 - OCTOBER 11TH -15TH 2021

Hi Year 4's,

We want to say a massive thank you to all of those who came online this week and put in their best effort. We started off with a bang for the first week of Term 4 starting some new topics such as fractions, predicting, problems and solutions in Writing and practicing some Naplan style questions for Reading. Please make sure you are all heading to the second explicit WebEx meeting at 10.45am to learn about these new concepts.

This week our structure will be the same as last term's remote learning, with our morning check in on Webex at **8.45am (followed by a Reading lesson with our read to teacher group)** and a **10:45am** explicit teaching session followed by question time if needed. We will upload the link to the rooms you need to attend in the morning on Seesaw. Please make sure to come to the Webex meetings and lessons as this is a great opportunity to reconnect with your peers and teachers and to go through the lessons that have been set.
