

REMOTE LEARNING WEEKLY OUTLINE
WEEK 3- TERM 4 - YEAR 4 - OCTOBER 18TH -22ND 2021

Hi Year 4's,

We are on the home stretch now! Only one more full week of home learning before we move to a hybrid school/home learning schedule in Week 4 and 5. Last week we sadly said goodbye to our student teachers - Miss Edwards in 4A and Miss Oxley in 4B. They were a great support during WebEx meetings and giving feedback on Seesaw. We will miss them and I know they will miss working with Year 4 as well.

This week our structure will be changed, this is to hopefully help with timings as some students may have siblings heading to school throughout the week as the Preps- Year 2's start the hybrid timetable this week. Our morning check in on Webex will now be at **9.15am (followed by a Reading lesson with our read to teacher group) for the remainder of home learning.** Our 10:45am explicit teaching session will stay the same followed by question time if needed.

This week we will also be having a specialist day on Wednesday, this is to support the year 4 teachers in planning for the new hybrid timetable the following week. Because there will be no explicit lesson with Year 4 teachers on Wednesday we will have a second WebEx meeting on Friday instead.
