THANK YOU FOR YOUR SUPPORT!

Edithvale Primary School Community Christmas Market

Perfect weather and lots of fun!

This event was hugely important to our school community, wider community and stallholder community. It was a time for us all to get together and have some fun after another unpredictable year. There were a lot of happy families enjoying the shopping, food and entertainment on offer. The weather was perfect and seeing people catching up with friends while supporting local businesses was wonderful.

There are so many people to thank for their contributions to the community Christmas market.

THANK YOU to:

All of our amazing volunteers for helping out with the Community Christmas Market. We could not have provided this event for our community if it wasn't for your help.

Superstars, Mr Heywood and his friend for providing musical entertainment for the duration of the market. **Edithvale CFA** for coming along to teach us about their role in our community and for watering our beautiful Eucalyptus tree with their fire hose.

Our beautiful stallholders, food and entertainment vendors. We couldn't hold a market without you and it was a pleasure sharing this event with you.

Our fantastic community. We are incredibly lucky to have the support of our community. It is always a pleasure being able to host events that we can share with you all.
