

## YARD DUTY AND SUPERVISION POLICY (June 2020) (Annual)

### PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

### SCOPE

The principal is responsible for ensuring that there is a well-organised and responsive system of supervision in place during school hours, before and after school, and on school excursions and camps.

This policy applies to all teaching and non-teaching staff at Edithvale Primary School, including education support staff, casual relief teachers and visiting teachers.

School staff are responsible for following reasonable and lawful instructions from the principal, including instructions to provide supervision to students at specific dates, time and places.

### POLICY

#### Before and after school

Edithvale Primary School's grounds are supervised by school staff from 15 minutes before the commencement of learning and 15 minutes after the completion of learning. Outside of these hours, school staff will not be available to supervise students. We will regularly inform parents/carers of the precise times during which the school's grounds will be monitored (e.g. in the school newsletter each term).

For Edithvale Primary, school staff will be available before and after school, to supervise the school oval and basketball/netball court areas

Parents and carers should not allow their children to attend Edithvale Primary School outside of these hours. Families are encouraged to contact TEAM KIDS on 1300 035 000 or refer to <https://teamkids.com.au/parents/> for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/ carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program
- contact Victoria Police and/or the Department of Health and Human Services (Child Protection) to arrange for the supervision, care and protection of the student.

School staff who are rostered on for before or after school supervision must follow the processes outlined below.

### YARD DUTY

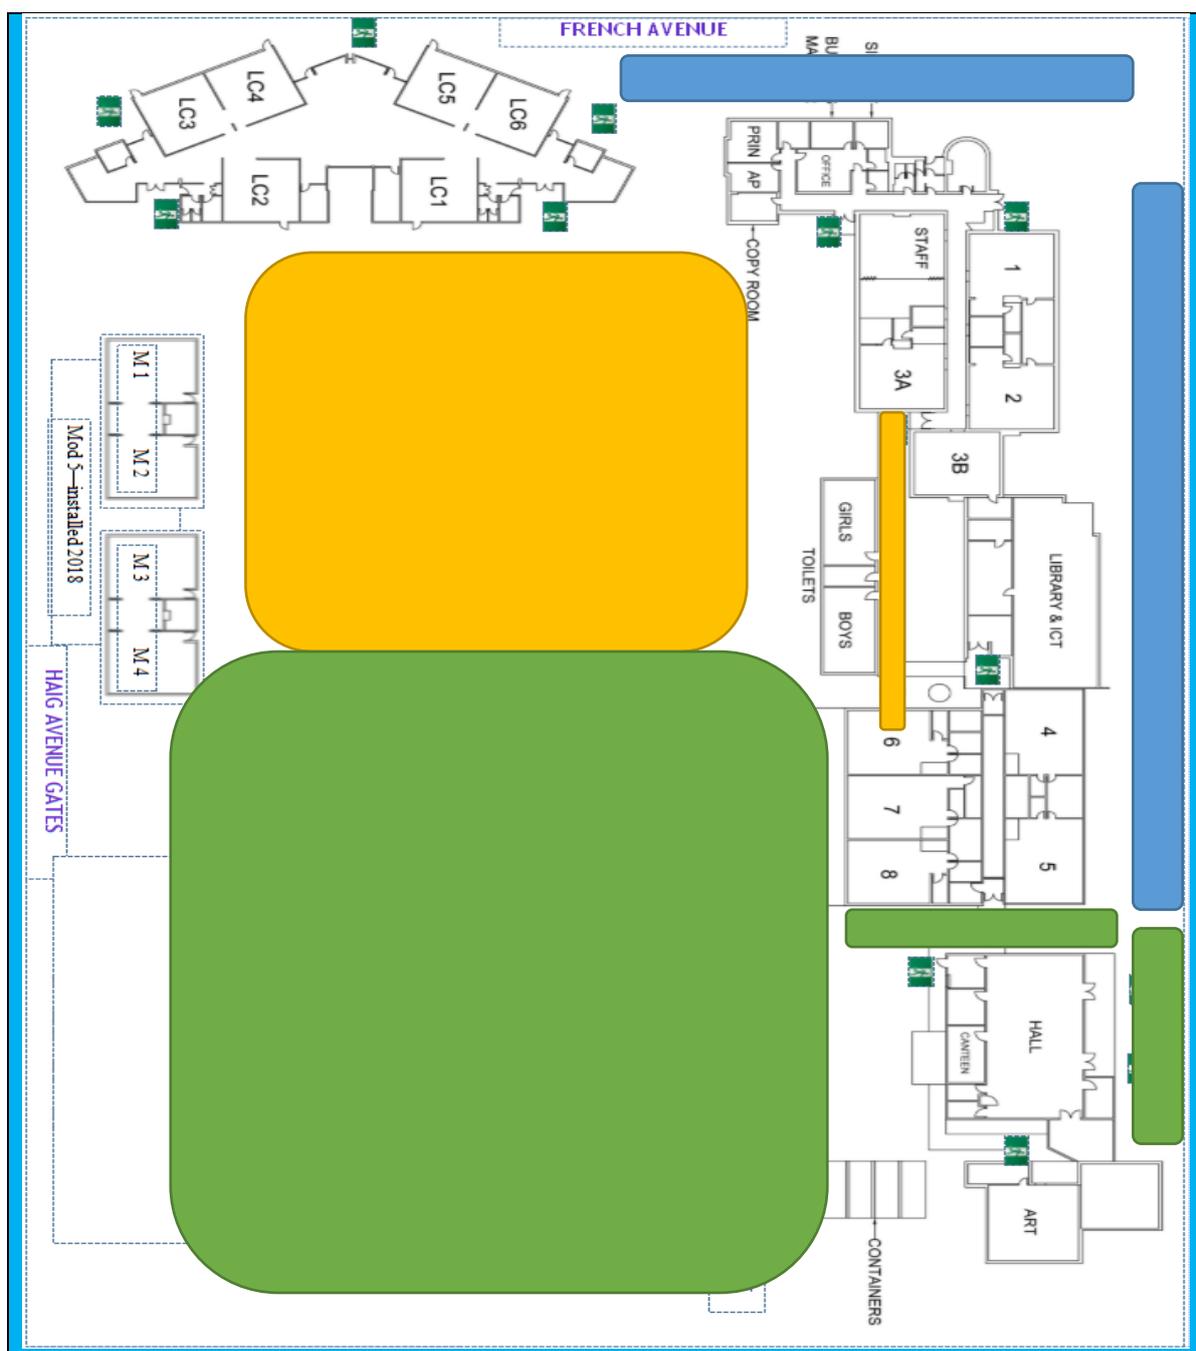

All staff at Edithvale Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The principal and assistant principal are responsible for preparing and communicating the yard duty roster on a regular basis. At Edithvale Primary School, school staff will be designated a specific yard duty area to supervise.

The designated yard duty areas for our school as at insert date eg Term 1, 2021) are outlined below

Zone	Area
Zone 1	Edithvale Rd. (end to end)
Zone 2	Oval, art room, toilets, canteen & eating areas, hall area and playground on Edithvale Rd
Zone 3	Toilets, asphalt, around & behind portables shelter shed, eating area outside office, French Ave. (driveway- carpark fence).
Zone 4	Year 3 eating area (at eating time). Extra supervision for toilets, courts, oval, behind portables - where needed/busiest
Zone 5	French Avenue (cnr Edithvale to Staff Carpark)

**WET/HOT DAY ARRANGEMENTS:** Staff in each building to organise their own time allocations. **If on duty that day, continue to do that amount of duty in your own building.**

School staff must wear a provided safety/hi-vis vest whilst on yard duty. Spare Safety/hi-vis vests will be stored in the Administration Office Area

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving teacher.

During yard duty, supervising staff must:

- methodically move around the designated zone
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard

- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in your school's *Student Engagement and Wellbeing* policy
- In line with our school's SunSmart Policy staff are encouraged to wear hat styles that protect the face, neck and ears when outdoors and act as role models when outside from Mid August- April 30
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate
- if being relieved of their yard duty shift by another staff member (for Edithvale Primary, where the shift is 'split' into 2 consecutive time periods), ensure that a brief but adequate verbal 'handover' is given to the next staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Assistant Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If a relieving or next staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office/call Assistant Principal, **etc and not leave the designated area** until a replacement staff member has arrived.

Should students require assistance during recess or lunchtime, they are encouraged to speak to the supervising yard duty staff member.

## CLASSROOM

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact a teaching colleague, Year Level Coordinator or Assistant Principal for assistance. The teacher should then wait until another staff member has arrived at the classroom to supervise the class prior to leaving.

## SCHOOL ACTIVITIES, CAMPS AND EXCURSION

The principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activities. Appropriate supervision will be planned for special school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved.
