

**EDITHVALE PRIMARY SCHOOL
PRIVACY INFORMATION FOR PARENTS, GUARDIANS AND CARERS**

During the ordinary course of your child's attendance at our school, school staff will collect your child's personal and health information when necessary to educate your child, or to support your child's social and emotional wellbeing or health in the school context. Such information will also be collected when required to fulfil a legal obligation, including duty of care, anti-discrimination law and occupational health and safety law. If that information is not collected, the school may be unable to provide optimal education or support to your child, or fulfil those legal obligations.

For example, health information may be collected through the school nurse, primary welfare officer or wellbeing staff member. If your child is referred to a specific health service at school, such as a Student Support Services officer, the required consent will be obtained. Our school also collects information provided by parents, guardians and carers through the School Entrance Health Questionnaire (SEHQ) and the Early Childhood Intervention Service (ECIS) Transition Form.

Our school may use online tools, such as apps and other software, to collect and manage information about your child. When our school uses these online tools, we take steps to ensure that your child's information is secure. These online tools enable our school to efficiently and effectively manage important information about your child and also to communicate with you. If you have any concerns about the use of these online tools, please contact us.

School staff will only share your child's personal or health information with other staff who need to know to enable the school to educate or support your child, or fulfil a legal obligation.

When our students transfer to another Victorian government school, personal and health information about that student will be transferred to that next school. Transferring this information is in the best interests of our students and assists that next school to provide optimal education and support to students.

In some limited circumstances, information may be disclosed outside of the school (and outside of the Department of Education and Training). The school will seek your consent for such disclosures unless the disclosure is allowed or mandated by law.

Our school values the privacy of every person. When collecting and managing personal and health information, all school staff must comply with Victorian privacy law. For more information about privacy including about how to access personal and health information held by the school about you or your child, see our school's privacy policy: <https://www.education.vic.gov.au/Pages/schoolsprivacypolicy.aspx>

Throughout this notice, 'staff' includes principals, teachers, Student Support Service officers, youth workers, social workers, nurses and any other allied health practitioners and all other staff at our school. This includes employees, agents and service providers (contractors) of the Department, whether paid or unpaid.

DEPARTMENT OF EDUCATION AND TRAINING
ENROLMENT FORM - INFORMATION for PARENTS, GUARDIANS and CARERS

The Enrolment Form asks you for personal and health information about your child and your family. This information is collected to enable our school to educate your child and support your child's social and emotional wellbeing and health. Our school is also required by legislation, such as the *Education and Training Reform Act 2006*, to collect some of this information.

Our school relies on you to provide **health information** about any medical condition or disability that your child has, medication your child may take while at school, any known allergies and contact details of your child's doctor. If you do not provide all relevant health information, this may put your child's health at risk.

Our school requires current, relevant information about all **parents, guardians and carers** so that we can take account of family arrangements. Please provide our school with copies of all current parenting plans AND court orders regarding parenting arrangements. Please provide copies of court orders or plans when they change. If you wish to discuss any matters regarding family arrangements in confidence, please contact the principal.

Protecting your privacy and sharing information

For more about information-sharing and privacy, see our school's privacy policy: <https://www.education.vic.gov.au/Pages/schoolsprivacypolicy.aspx>

Our school's use of online tools (including apps and other software) to collect and manage information

Our school may use online tools, such as apps and other software, to collect and manage information about your child. When our school uses these online tools, we do our best to ensure that your child's information is secure. These online tools enable our school to efficiently and effectively manage important information about your child and also to communicate with you. If you have any concerns about the use of these online tools, please contact us.

Updating your child's personal and health information

Please inform our school if, and when, there are any updates to any of the personal or health information you provide on the Enrolment Form.

Accessing your child's records

Our school provides ordinary school communications and school reports to students and parents, guardians and carers who have legal decision-making responsibility for the student. Requests for any other type of student records may be made through a Freedom of Information (FOI) application. Please contact our school and we can advise you how to do this.

Student transfers between Victorian government schools

When our students transfer to another Victorian government school, our school will transfer the student's personal and health information to that next school. HEAD LICE INSPECTIONS CONSENT FORM

(This permission will cover the duration of your child's schooling at EPS, unless revoked in writing).

Head lice are common amongst children, and remain the parent's/carer's responsibility to manage.

The management of head lice infection works best when all children are involved in our screening program, so throughout your child's schooling, the school may arrange head lice inspections of students, conducted by a trained person approved by the Principal and School Council. The school is aware that this can be a sensitive issue and is committed to maintaining student confidentiality and avoiding stigmatisation.

Before any inspections are conducted, the person conducting the inspection will explain to students what is being done and why, and it will be emphasised to students that the presence of head lice in their hair does not mean that their hair is less clean or less well kept than anyone else's. It will also be pointed out that head lice can be itchy and annoying and if you know you have them, you can do something about it.

The person conducting the inspections will check through each student's hair to see if any lice or eggs are present.

Persons authorised by the Principal may also visually check your child's hair for the presence of head lice, when it is suspected that head lice may be present. They do not physically touch the child's head during a visual check.

In cases where head lice are found, the person inspecting the student will inform the student's teacher and the Principal. The school will make appropriate contact with the parents/guardians/carers.

Please note that health regulations require that where a child has head lice, that child should not return to school until appropriate treatment has commenced.

Please complete the attached permission form and return it to school at your earliest convenience, stating your permission or non-permission for Head Lice Inspections.

Thank you.
